REPLY IN SUPPORT OF RENEWED MOTION TO WITHDRAW REFERENCE

Plaintiffs The Charitable DAF Fund, L.P. and CLO Holdco, Ltd. respectfully submit this Reply in support of their Renewed Motion to Withdraw the Reference as follows:

In its response brief, Defendant Highland Capital Management, L.P. does not dispute that Plaintiffs first moved to withdraw the reference under 28 U.S.C. § 157(d) on June 29, 2021 (Dkt. 36), in the district court, or that the district court referred the entire action to this Court without addressing the merits of that motion. It merely argues that Plaintiffs should have re-urged their motion sooner. This Court's statutory jurisdiction is not so easily established.

Neither does the response brief dispute that Plaintiffs' pending claims "require[] consideration of both title 11 and other laws of the United States regulating organizations or activities affecting interstate commerce," as § 157(d) requires. It only questions the complexity of the laws at issue and contends that this Court has sufficient experience to consider them. These arguments do not undo § 157(d)'s jurisdictional bar. Plaintiffs' motion should be granted.

A. Plaintiffs Have Not Waived Jurisdiction

At the outset of this action, Plaintiffs asserted that this Court lacked jurisdiction under § 157(d). Motion for Leave to File First Amended Complaint, 6-7 (Dkt. 6). Plaintiffs moved to withdraw the reference shortly thereafter in their Response and Cross Motion on June 29, 2021 (Dkt. 36). Plaintiffs have maintained this position consistently in repeated filings. Plaintiffs' Amended Motion to Stay All Proceedings, Exhibit A, Proposed Motion to Withdraw Reference (Dkt. 60-1); Renewed Motion to Withdraw Reference (Dkt. 128). The timing of the re-urging of Plaintiffs' motion cannot create jurisdiction where there is none.

The plain language of § 157(d) mandates withdrawal of the reference following a timely motion. There is no additional requirement that a party must repeat its objection to the authority of the Bankruptcy Court through a re-urged or renewed motion to withdraw reference according to a particular timeframe. And Highland points to no authority indicating otherwise.

Highland attempts to bolster its waiver argument with reference to Rule 7012(b) of the Federal Rules of Bankruptcy Procedure. But that rule, by its own terms, applies only to responsive pleadings. "Pleading" is a term of art in the Federal Rules, and what can constitute a pleading is enumerated exhaustively in Rule 7(a) of the Federal Rules of Civil Procedure, made applicable by Rule 7007, FRBP. *See* Fed. R. Civ. P. 7(a) ("Pleadings. Only these pleadings are allowed: (1) a complaint; (2) an answer to a complaint; (3) an answer to a counterclaim designated as a counterclaim; (4) an answer to a crossclaim; (5) a third-party complaint; (6) an answer to a third-party complaint; and (7) if the court orders one, a reply to an answer.") Plaintiffs have filed none of the above except for their Original Complaint, which is certainly not a "responsive" pleading. Rule 7012(b) therefore does not apply.¹

Because Plaintiffs' June 29, 2021 motion was timely, and because subject matter jurisdiction cannot be established by waiver, Highland's principal argument against withdrawal of the reference fails.

B. Plaintiffs Have Established That Consideration of the Advisers Act Is Necessary

Plaintiffs have established—and Highland does not dispute—that withdrawal of the reference is mandatory under § 157(d) when a federal law, such as the Advisers Act, must be considered. Renewed Motion to Withdraw the Reference [Dkt. 128] at 2-3. Highland likewise does not dispute that resolving its pending Renewed Motion to Dismiss will require analysis of the Advisers Act. Instead, Highland argues only that such analysis will be simple and immaterial. This is incorrect.

¹ If the Renewed Motion has triggered a contested matter, under Rule 9014 of the Rules of Bankruptcy Procedure, it is clear that Rule 7012 is not applicable ("(c) Application of Part VII Rules. Except as otherwise provided in this rule, and unless the court directs otherwise, the following rules shall apply: 7009, 7017, 7021, 7025, 7026, 7028–7037, 7041, 7042, 7052, 7054–7056, 7064, 7069, and 7071.").

As Plaintiffs demonstrated in their opening brief, the likelihood of anything more than simple application of federal securities laws is sufficient to trigger mandatory withdrawal under § 157(d). See In re Harrah s Entm t, No. 95-3925, 1996 U.S. Dist. LEXIS 18097, at *7-8 (E.D. La. 1996) (rejecting argument that the case would "only involve the simple application of established federal securities laws" where plaintiff alleged violation of such laws and was attempting "to hold defendants directly liable and secondarily liable based on a 'controlling person' theory for certain acts and omissions"); id. at *7-8, 11 (concluding, "This federal securities litigation involves more than simple application of federal securities laws and will be complicated enough to warrant mandatory withdrawal under § 157(d)," and citing In re Rannd Res., 175 B.R. 393, 396 (D. Nev. 1994), for the proposition that withdrawal of the reference is mandatory where resolution requires more than simple application of federal securities laws); In re Cont l Airlines Corp., 50 B.R. 342, 360 (S.D. Tex. 1985), aff'd, 790 F.2d 35 (5th Cir. 1986) ("While that second clause [of § 157(d)] might not apply when some 'other law' only tangentially affects the proceeding, it surely does apply when federal labor legislation will likely be material to the proceeding's resolution.").

That more than simple application of the Advisers Act is required is amply demonstrated by the parties' briefing of the pending Renewed Motion to Dismiss Complaint, which Plaintiffs incorporate by reference here. *See e.g.*, Plaintiffs' Response to Renewed Motion to Dismiss Complaint [Dkt. 129] at 12-13 & n.3 (explaining the viability of an action for breach of fiduciary duties imposed by the Adviser Act and explaining Highland's inability to circumvent those duties via the internal-affairs doctrine); *id.* at 14-15 & n.4 (invoking Rule 206(4)-8, promulgated under 17 C.F.R. § 275.206(4)-8, as governing the duties owed by advisors to "pooled investment vehicles" and explaining how Highland qualifies as such).

Neither does Highland's specious core-jurisdiction argument save the day, as the mandatory withdrawal provisions of § 157(d) apply even to matters within a bankruptcy court's core jurisdiction. *See, e.g., In re Bos. Generating, LLC*, No. 10-cv-6528, 2010 U.S. Dist. LEXIS 116073, at *14–15 (S.D.N.Y. Nov. 1, 2010) (quoting *New York v. Exxon Corp.*, 932 F.2d 1020, 1026 (2d Cir. 1991) for the proposition, "[M]atters within [the bankruptcy court's 'core' jurisdiction, upon timely motion, must be withdrawn under § 157(d) if they require the bankruptcy court to substantially interpret federal statutes which affect interstate commerce.") (alterations in original); *cf. Stern v. Marshall*, 564 U.S. 462, 499 (2011) (holding that Congress cannot bypass Article III and create jurisdiction in bankruptcy court "simply because a proceeding may have some bearing on a bankruptcy case"); *In re Prescription Home Health Care*, 316 F.3d 542, 548 (5th Cir. 2002) (rejecting "the theory that a bankruptcy court has jurisdiction to enjoin any activity that threatens the debtor's reorganization prospects").

Because the resolution of this case—indeed, the resolution of the pending Renewed Motion to Dismiss—will require consideration of federal securities law, withdrawal of the reference is mandatory.

CONCLUSION

For all these reasons, Plaintiffs respectfully submit that the motion should be granted.

Chapter 11

Highland Capital Management, L.P.

Case No. 19-34054 (SGJ)

Debtor.

ANNEX TO PROOF OF CLAIM

- 1. This annex (the "Annex") is part of and is incorporated by reference into the attached proof of claim (together with the Annex, the "Proof of Claim") and describes in more detail the claims of HarbourVest 2017 Global Fund L.P. (the "Claimant") against the debtor Highland Capital Management, L.P. (the "Debtor").
- 2. The Claimant is a limited partner in one of the Debtor's managed vehicles, Highland CLO Funding, Ltd. ("HCLOF"). Acis Capital Management GP, L.L.C. and Acis Capital Management L.P. (together, "Acis"), the portfolio manager for HCLOF, filed for chapter 11 in the United States Bankruptcy Court for the Northern District of Texas (the "Court") on January 30, 2018. The Acis bankruptcy filing resulted from a dispute between Debtor and its former employee, Joshua Terry, who served as portfolio manager for Debtor's collateral loan obligations funds ("CLO") business. See, e.g., Findings of Fact and Conclusions of Law in Support of Orders for Relief Issued After Trial on Contested Involuntary Bankruptcy Petition ("Involuntary Petition Ruling") [Case No. 18-30264 (SGJ), Dkt. No. 118]. As noted in more detail in the Court's Bench Ruling and Memorandum of Law in Support of: (A) Final Approval of Disclosure Statement; and (B) Confirmation of Chapter 11 Trustee's Third Amended Joint Plan ("Confirmation Ruling") [Case No. 18-30264 (SGJ), Dkt. No 827] and related filings in the Acis

bankruptcy cases, there has been extensive litigation regarding alleged improper conduct associated with the management of, and transactions relating to, Acis, including transactions with and related to HCLOF. *See, e.g., id.*; *Second Amended Complaint* [Case No. 18-03078(SGJ), Dkt. No. 157].

- 3. Due to the Acis bankruptcy and certain conduct alleged to have been undertaken by the Debtor (to whom Acis subcontracted its functions) and Debtor's employees (who were officers, employees, and agents of Acis), the Claimant has suffered significant harm. Such harm includes, but is not limited to, financial harm resulting from, among other things (i) court orders in the Acis bankruptcy that prevented certain CLOs in which HCLOF was invested from being refinanced or reset and court orders that otherwise regulated the activity of HCLOF; and (ii) significant fees and expenses related to the Acis bankruptcy that were charged to HCLOF. See, e.g., Involuntary Petition Ruling ¶ 27; see also Confirmation Ruling.
- 4. Claimant hereby files this Claim to assert any and all of its rights to payment, remedies, and other claims (including contingent or unliquidated claims) against the Debtor in connection with and relating to the foregoing harm, including for any amounts due or owed under the various agreements with the Debtor in connection with HCLOF (including, but not limited to, the Subscription and Transfer Agreement for Ordinary Shares Highland CLO Funding, Ltd., dated as of November 15, 2017, the Members Agreement Relating to the Company, dated as of November 15, 2017, the Highland CLO Funding, Ltd. Offering Memorandum dated November 15, 2017), and any and all legal and equitable claims or causes of action relating to the foregoing harm.
- 5. The Claimant has not attached the documentation supporting this Claim to this Proof of Claim because the documentation is voluminous and the Debtor has copies of such

documents. However, any requested relevant documents will be provided to the Official Committee of Unsecured Creditors, the Court, the United States Trustee and the Debtor in the event of a dispute regarding this Proof of Claim and will be made available for review by other parties in interest as appropriate upon reasonable request and after consultation with the Debtor and execution of appropriate confidentiality agreements.

- 6. This Proof of Claim is filed with a full reservation of rights, including the right to amend, update, modify, supplement or otherwise revise this Proof of Claim in any respect at any time. The filing of this Proof of Claim is not and should not be construed to be: (a) a waiver or release of any of the Claimant's rights against any person, entity or property accruing to it against the Debtor and its estate; (b) a waiver of the Claimant's rights to assert that 28 U.S.C. § 157(b)(2)(C) is unconstitutional; (c) a consent or submission by the Claimant, or waiver of the Claimant's rights to object, to the jurisdiction of this Court with respect to the subject matter of any of the claims described herein, or any objection or other proceeding commenced with respect to any of the claims described herein, or any other proceeding commenced in the Debtor's chapter 11 case against or otherwise involving the Claimant; (d) a waiver or release of any right of the Claimant, or consent by the Claimant, to a trial by jury in this or any other court or proceeding; (e) a waiver or release of, or any limitation on, any right of the Claimant to have orders entered only after de novo review by a United States District Judge; (f) an election of remedies; or (g) a waiver of, or any other limitation on, any right of the Claimant to request withdrawal of the reference with respect to any matter, including, without limitation, any matter relating to this Proof of Claim.
- 7. Claimant's express reservation of all rights and causes of action, includes, without limitation, contingent or unliquidated rights that it or its affiliates may have against the Debtor,

as well as defenses, offsets and counterclaims. This description and classification of claims by the Claimant is not a concession or admission as to the correct characterization or treatment of any such claims or a waiver of any rights of the Claimant.

- 8. Furthermore, the Claimant expressly reserves its rights to (a) file additional proofs of claim for additional claims that may be based on the same or additional documents or facts or other liability or indebtedness of the Debtor to the Claimant under contract or otherwise; (b) assert claims for cure of defaults in any agreement that the Debtor or any trustee appointed in this chapter 11 case may seek to assume; (c) assert any and all other claims, causes of action, defenses, offsets or counterclaims against the Debtor or any other parties; (d) file a request for payment of an administrative expense under 11 U.S.C. §§ 503 and 507 for any or all of the claims or rights of payment described above and any additional amounts; and (e) seek recovery through any relevant third parties, including any of the Debtor's insurance coverage providers.
- 9. This Proof of Claim does not encompass all claims that the Claimant or its affiliates may have that arise after the Petition Date and are entitled to administrative priority, and the Claimant expressly reserves its right to file such claim or any similar claim at the appropriate time, including any such post-petition claims arising under these service contracts.
- 10. This Proof of Claim is filed without prejudice to the filing by the Claimant of additional proofs of claim or requests for payment with respect to any other indebtedness, liability or obligation of the Debtor. The Claimant does not, by this Proof of Claim or any amendment or other action, waive any rights with respect to any scheduled claim.
- 11. The Claimant reserves the right to withdraw, amend, clarify, modify or supplement this Proof of Claim to assert additional claims, causes of action or additional grounds for this Proof of Claim (including adding any additional contracts, agreements, obligations or

other relationships between the Claimant and the Debtor), as well as the right to file any separate or additional proofs of claim with respect to the claims set forth herein or otherwise, including for the purpose of fixing and liquidating any contingent or unliquidated claim set forth herein, or to file additional proofs of claim in respect of additional amounts or for any other reason.

- 12. In executing and filing this Proof of Claim, the Claimant does not submit to the jurisdiction of the Bankruptcy Court for the Northern District of Texas for any purpose other than with respect to this Proof of Claim against the Debtor, and does not waive or release any rights or remedies against any other person or entity that may be liable for all or part of this Proof of Claim.
- 13. The Claimant otherwise reserves its rights, and nothing herein shall prejudice the Claimant's rights, under any order of the Court previously entered in this chapter 11 case.
- 14. Payments on account of this Proof of Claim should be sent to the Claimant at the address specified for notices to the Claimant in Part 1.3 of the Proof of Claim.

Chapter 11

Highland Capital Management, L.P.

Case No. 19-34054 (SGJ)

Debtor.

ANNEX TO PROOF OF CLAIM

- 1. This annex (the "Annex") is part of and is incorporated by reference into the attached proof of claim (together with the Annex, the "Proof of Claim") and describes in more detail the claims of HarbourVest 2017 Global AIF L.P. (the "Claimant") against the debtor Highland Capital Management, L.P. (the "Debtor").
- 2. The Claimant is a limited partner in one of the Debtor's managed vehicles, Highland CLO Funding, Ltd. ("HCLOF"). Acis Capital Management GP, L.L.C. and Acis Capital Management L.P. (together, "Acis"), the portfolio manager for HCLOF, filed for chapter 11 in the United States Bankruptcy Court for the Northern District of Texas (the "Court") on January 30, 2018. The Acis bankruptcy filing resulted from a dispute between Debtor and its former employee, Joshua Terry, who served as portfolio manager for Debtor's collateral loan obligations funds ("CLO") business. See, e.g., Findings of Fact and Conclusions of Law in Support of Orders for Relief Issued After Trial on Contested Involuntary Bankruptcy Petition ("Involuntary Petition Ruling") [Case No. 18-30264 (SGJ), Dkt. No. 118]. As noted in more detail in the Court's Bench Ruling and Memorandum of Law in Support of: (A) Final Approval of Disclosure Statement; and (B) Confirmation of Chapter 11 Trustee's Third Amended Joint Plan ("Confirmation Ruling") [Case No. 18-30264 (SGJ), Dkt. No 827] and related filings in the Acis

bankruptcy cases, there has been extensive litigation regarding alleged improper conduct associated with the management of, and transactions relating to, Acis, including transactions with and related to HCLOF. *See, e.g., id.*; *Second Amended Complaint* [Case No. 18-03078(SGJ), Dkt. No. 157].

- 3. Due to the Acis bankruptcy and certain conduct alleged to have been undertaken by the Debtor (to whom Acis subcontracted its functions) and Debtor's employees (who were officers, employees, and agents of Acis), the Claimant has suffered significant harm. Such harm includes, but is not limited to, financial harm resulting from, among other things (i) court orders in the Acis bankruptcy that prevented certain CLOs in which HCLOF was invested from being refinanced or reset and court orders that otherwise regulated the activity of HCLOF; and (ii) significant fees and expenses related to the Acis bankruptcy that were charged to HCLOF. See, e.g., Involuntary Petition Ruling ¶ 27; see also Confirmation Ruling.
- 4. Claimant hereby files this Claim to assert any and all of its rights to payment, remedies, and other claims (including contingent or unliquidated claims) against the Debtor in connection with and relating to the foregoing harm, including for any amounts due or owed under the various agreements with the Debtor in connection with HCLOF (including, but not limited to, the Subscription and Transfer Agreement for Ordinary Shares Highland CLO Funding, Ltd., dated as of November 15, 2017, the Members Agreement Relating to the Company, dated as of November 15, 2017, the Highland CLO Funding, Ltd. Offering Memorandum dated November 15, 2017), and any and all legal and equitable claims or causes of action relating to the foregoing harm.
- 5. The Claimant has not attached the documentation supporting this Claim to this Proof of Claim because the documentation is voluminous and the Debtor has copies of such

documents. However, any requested relevant documents will be provided to the Official Committee of Unsecured Creditors, the Court, the United States Trustee and the Debtor in the event of a dispute regarding this Proof of Claim and will be made available for review by other parties in interest as appropriate upon reasonable request and after consultation with the Debtor and execution of appropriate confidentiality agreements.

- 6. This Proof of Claim is filed with a full reservation of rights, including the right to amend, update, modify, supplement or otherwise revise this Proof of Claim in any respect at any time. The filing of this Proof of Claim is not and should not be construed to be: (a) a waiver or release of any of the Claimant's rights against any person, entity or property accruing to it against the Debtor and its estate; (b) a waiver of the Claimant's rights to assert that 28 U.S.C. § 157(b)(2)(C) is unconstitutional; (c) a consent or submission by the Claimant, or waiver of the Claimant's rights to object, to the jurisdiction of this Court with respect to the subject matter of any of the claims described herein, or any objection or other proceeding commenced with respect to any of the claims described herein, or any other proceeding commenced in the Debtor's chapter 11 case against or otherwise involving the Claimant; (d) a waiver or release of any right of the Claimant, or consent by the Claimant, to a trial by jury in this or any other court or proceeding; (e) a waiver or release of, or any limitation on, any right of the Claimant to have orders entered only after de novo review by a United States District Judge; (f) an election of remedies; or (g) a waiver of, or any other limitation on, any right of the Claimant to request withdrawal of the reference with respect to any matter, including, without limitation, any matter relating to this Proof of Claim.
- 7. Claimant's express reservation of all rights and causes of action, includes, without limitation, contingent or unliquidated rights that it or its affiliates may have against the Debtor,

as well as defenses, offsets and counterclaims. This description and classification of claims by the Claimant is not a concession or admission as to the correct characterization or treatment of any such claims or a waiver of any rights of the Claimant.

- 8. Furthermore, the Claimant expressly reserves its rights to (a) file additional proofs of claim for additional claims that may be based on the same or additional documents or facts or other liability or indebtedness of the Debtor to the Claimant under contract or otherwise; (b) assert claims for cure of defaults in any agreement that the Debtor or any trustee appointed in this chapter 11 case may seek to assume; (c) assert any and all other claims, causes of action, defenses, offsets or counterclaims against the Debtor or any other parties; (d) file a request for payment of an administrative expense under 11 U.S.C. §§ 503 and 507 for any or all of the claims or rights of payment described above and any additional amounts; and (e) seek recovery through any relevant third parties, including any of the Debtor's insurance coverage providers.
- 9. This Proof of Claim does not encompass all claims that the Claimant or its affiliates may have that arise after the Petition Date and are entitled to administrative priority, and the Claimant expressly reserves its right to file such claim or any similar claim at the appropriate time, including any such post-petition claims arising under these service contracts.
- 10. This Proof of Claim is filed without prejudice to the filing by the Claimant of additional proofs of claim or requests for payment with respect to any other indebtedness, liability or obligation of the Debtor. The Claimant does not, by this Proof of Claim or any amendment or other action, waive any rights with respect to any scheduled claim.
- 11. The Claimant reserves the right to withdraw, amend, clarify, modify or supplement this Proof of Claim to assert additional claims, causes of action or additional grounds for this Proof of Claim (including adding any additional contracts, agreements, obligations or

other relationships between the Claimant and the Debtor), as well as the right to file any separate or additional proofs of claim with respect to the claims set forth herein or otherwise, including for the purpose of fixing and liquidating any contingent or unliquidated claim set forth herein, or to file additional proofs of claim in respect of additional amounts or for any other reason.

Chapter 11

Highland Capital Management, L.P.

Case No. 19-34054 (SGJ)

Debtor.

ANNEX TO PROOF OF CLAIM

- 1. This annex (the "Annex") is part of and is incorporated by reference into the attached proof of claim (together with the Annex, the "Proof of Claim") and describes in more detail the claims of HarbourVest Dover Street IX Investment L.P. (the "Claimant") against the debtor Highland Capital Management, L.P. (the "Debtor").
- 2. The Claimant is a limited partner in one of the Debtor's managed vehicles, Highland CLO Funding, Ltd. ("HCLOF"). Acis Capital Management GP, L.L.C. and Acis Capital Management L.P. (together, "Acis"), the portfolio manager for HCLOF, filed for chapter 11 in the United States Bankruptcy Court for the Northern District of Texas (the "Court") on January 30, 2018. The Acis bankruptcy filing resulted from a dispute between Debtor and its former employee, Joshua Terry, who served as portfolio manager for Debtor's collateral loan obligations funds ("CLO") business. See, e.g., Findings of Fact and Conclusions of Law in Support of Orders for Relief Issued After Trial on Contested Involuntary Bankruptcy Petition ("Involuntary Petition Ruling") [Case No. 18-30264 (SGJ), Dkt. No. 118]. As noted in more detail in the Court's Bench Ruling and Memorandum of Law in Support of: (A) Final Approval of Disclosure Statement; and (B) Confirmation of Chapter 11 Trustee's Third Amended Joint Plan ("Confirmation Ruling") [Case No. 18-30264 (SGJ), Dkt. No 827] and related filings in the Acis

bankruptcy cases, there has been extensive litigation regarding alleged improper conduct associated with the management of, and transactions relating to, Acis, including transactions with and related to HCLOF. *See, e.g., id.*; *Second Amended Complaint* [Case No. 18-03078(SGJ), Dkt. No. 157].

- 3. Due to the Acis bankruptcy and certain conduct alleged to have been undertaken by the Debtor (to whom Acis subcontracted its functions) and Debtor's employees (who were officers, employees, and agents of Acis), the Claimant has suffered significant harm. Such harm includes, but is not limited to, financial harm resulting from, among other things (i) court orders in the Acis bankruptcy that prevented certain CLOs in which HCLOF was invested from being refinanced or reset and court orders that otherwise regulated the activity of HCLOF; and (ii) significant fees and expenses related to the Acis bankruptcy that were charged to HCLOF. See, e.g., Involuntary Petition Ruling ¶ 27; see also Confirmation Ruling.
- 4. Claimant hereby files this Claim to assert any and all of its rights to payment, remedies, and other claims (including contingent or unliquidated claims) against the Debtor in connection with and relating to the foregoing harm, including for any amounts due or owed under the various agreements with the Debtor in connection with HCLOF (including, but not limited to, the Subscription and Transfer Agreement for Ordinary Shares Highland CLO Funding, Ltd., dated as of November 15, 2017, the Members Agreement Relating to the Company, dated as of November 15, 2017, the Highland CLO Funding, Ltd. Offering Memorandum dated November 15, 2017), and any and all legal and equitable claims or causes of action relating to the foregoing harm.
- 5. The Claimant has not attached the documentation supporting this Claim to this Proof of Claim because the documentation is voluminous and the Debtor has copies of such

documents. However, any requested relevant documents will be provided to the Official Committee of Unsecured Creditors, the Court, the United States Trustee and the Debtor in the event of a dispute regarding this Proof of Claim and will be made available for review by other parties in interest as appropriate upon reasonable request and after consultation with the Debtor and execution of appropriate confidentiality agreements.

- 6. This Proof of Claim is filed with a full reservation of rights, including the right to amend, update, modify, supplement or otherwise revise this Proof of Claim in any respect at any time. The filing of this Proof of Claim is not and should not be construed to be: (a) a waiver or release of any of the Claimant's rights against any person, entity or property accruing to it against the Debtor and its estate; (b) a waiver of the Claimant's rights to assert that 28 U.S.C. § 157(b)(2)(C) is unconstitutional; (c) a consent or submission by the Claimant, or waiver of the Claimant's rights to object, to the jurisdiction of this Court with respect to the subject matter of any of the claims described herein, or any objection or other proceeding commenced with respect to any of the claims described herein, or any other proceeding commenced in the Debtor's chapter 11 case against or otherwise involving the Claimant; (d) a waiver or release of any right of the Claimant, or consent by the Claimant, to a trial by jury in this or any other court or proceeding; (e) a waiver or release of, or any limitation on, any right of the Claimant to have orders entered only after de novo review by a United States District Judge; (f) an election of remedies; or (g) a waiver of, or any other limitation on, any right of the Claimant to request withdrawal of the reference with respect to any matter, including, without limitation, any matter relating to this Proof of Claim.
- 7. Claimant's express reservation of all rights and causes of action, includes, without limitation, contingent or unliquidated rights that it or its affiliates may have against the Debtor,

as well as defenses, offsets and counterclaims. This description and classification of claims by the Claimant is not a concession or admission as to the correct characterization or treatment of any such claims or a waiver of any rights of the Claimant.

- 8. Furthermore, the Claimant expressly reserves its rights to (a) file additional proofs of claim for additional claims that may be based on the same or additional documents or facts or other liability or indebtedness of the Debtor to the Claimant under contract or otherwise; (b) assert claims for cure of defaults in any agreement that the Debtor or any trustee appointed in this chapter 11 case may seek to assume; (c) assert any and all other claims, causes of action, defenses, offsets or counterclaims against the Debtor or any other parties; (d) file a request for payment of an administrative expense under 11 U.S.C. §§ 503 and 507 for any or all of the claims or rights of payment described above and any additional amounts; and (e) seek recovery through any relevant third parties, including any of the Debtor's insurance coverage providers.
- 9. This Proof of Claim does not encompass all claims that the Claimant or its affiliates may have that arise after the Petition Date and are entitled to administrative priority, and the Claimant expressly reserves its right to file such claim or any similar claim at the appropriate time, including any such post-petition claims arising under these service contracts.
- 10. This Proof of Claim is filed without prejudice to the filing by the Claimant of additional proofs of claim or requests for payment with respect to any other indebtedness, liability or obligation of the Debtor. The Claimant does not, by this Proof of Claim or any amendment or other action, waive any rights with respect to any scheduled claim.
- 11. The Claimant reserves the right to withdraw, amend, clarify, modify or supplement this Proof of Claim to assert additional claims, causes of action or additional grounds for this Proof of Claim (including adding any additional contracts, agreements, obligations or

other relationships between the Claimant and the Debtor), as well as the right to file any separate or additional proofs of claim with respect to the claims set forth herein or otherwise, including for the purpose of fixing and liquidating any contingent or unliquidated claim set forth herein, or to file additional proofs of claim in respect of additional amounts or for any other reason.

- 12. In executing and filing this Proof of Claim, the Claimant does not submit to the jurisdiction of the Bankruptcy Court for the Northern District of Texas for any purpose other than with respect to this Proof of Claim against the Debtor, and does not waive or release any rights or remedies against any other person or entity that may be liable for all or part of this Proof of Claim.
- 13. The Claimant otherwise reserves its rights, and nothing herein shall prejudice the Claimant's rights, under any order of the Court previously entered in this chapter 11 case.
- 14. Payments on account of this Proof of Claim should be sent to the Claimant at the address specified for notices to the Claimant in Part 1.3 of the Proof of Claim.

Chapter 11

Highland Capital Management, L.P.

Case No. 19-34054 (SGJ)

Debtor.

ANNEX TO PROOF OF CLAIM

- 1. This annex (the "Annex") is part of and is incorporated by reference into the attached proof of claim (together with the Annex, the "Proof of Claim") and describes in more detail the claims of HV International VIII Secondary L.P. (the "Claimant") against the debtor Highland Capital Management, L.P. (the "Debtor").
- 2. The Claimant is a limited partner in one of the Debtor's managed vehicles, Highland CLO Funding, Ltd. ("HCLOF"). Acis Capital Management GP, L.L.C. and Acis Capital Management L.P. (together, "Acis"), the portfolio manager for HCLOF, filed for chapter 11 in the United States Bankruptcy Court for the Northern District of Texas (the "Court") on January 30, 2018. The Acis bankruptcy filing resulted from a dispute between Debtor and its former employee, Joshua Terry, who served as portfolio manager for Debtor's collateral loan obligations funds ("CLO") business. See, e.g., Findings of Fact and Conclusions of Law in Support of Orders for Relief Issued After Trial on Contested Involuntary Bankruptcy Petition ("Involuntary Petition Ruling") [Case No. 18-30264 (SGJ), Dkt. No. 118]. As noted in more detail in the Court's Bench Ruling and Memorandum of Law in Support of: (A) Final Approval of Disclosure Statement; and (B) Confirmation of Chapter 11 Trustee's Third Amended Joint Plan ("Confirmation Ruling") [Case No. 18-30264 (SGJ), Dkt. No 827] and related filings in the Acis

bankruptcy cases, there has been extensive litigation regarding alleged improper conduct associated with the management of, and transactions relating to, Acis, including transactions with and related to HCLOF. *See, e.g., id.*; *Second Amended Complaint* [Case No. 18-03078(SGJ), Dkt. No. 157].

- 3. Due to the Acis bankruptcy and certain conduct alleged to have been undertaken by the Debtor (to whom Acis subcontracted its functions) and Debtor's employees (who were officers, employees, and agents of Acis), the Claimant has suffered significant harm. Such harm includes, but is not limited to, financial harm resulting from, among other things (i) court orders in the Acis bankruptcy that prevented certain CLOs in which HCLOF was invested from being refinanced or reset and court orders that otherwise regulated the activity of HCLOF; and (ii) significant fees and expenses related to the Acis bankruptcy that were charged to HCLOF. See, e.g., Involuntary Petition Ruling ¶ 27; see also Confirmation Ruling.
- 4. Claimant hereby files this Claim to assert any and all of its rights to payment, remedies, and other claims (including contingent or unliquidated claims) against the Debtor in connection with and relating to the foregoing harm, including for any amounts due or owed under the various agreements with the Debtor in connection with HCLOF (including, but not limited to, the Subscription and Transfer Agreement for Ordinary Shares Highland CLO Funding, Ltd., dated as of November 15, 2017, the Members Agreement Relating to the Company, dated as of November 15, 2017, the Highland CLO Funding, Ltd. Offering Memorandum dated November 15, 2017), and any and all legal and equitable claims or causes of action relating to the foregoing harm.
- 5. The Claimant has not attached the documentation supporting this Claim to this Proof of Claim because the documentation is voluminous and the Debtor has copies of such

documents. However, any requested relevant documents will be provided to the Official Committee of Unsecured Creditors, the Court, the United States Trustee and the Debtor in the event of a dispute regarding this Proof of Claim and will be made available for review by other parties in interest as appropriate upon reasonable request and after consultation with the Debtor and execution of appropriate confidentiality agreements.

- 6. This Proof of Claim is filed with a full reservation of rights, including the right to amend, update, modify, supplement or otherwise revise this Proof of Claim in any respect at any time. The filing of this Proof of Claim is not and should not be construed to be: (a) a waiver or release of any of the Claimant's rights against any person, entity or property accruing to it against the Debtor and its estate; (b) a waiver of the Claimant's rights to assert that 28 U.S.C. § 157(b)(2)(C) is unconstitutional; (c) a consent or submission by the Claimant, or waiver of the Claimant's rights to object, to the jurisdiction of this Court with respect to the subject matter of any of the claims described herein, or any objection or other proceeding commenced with respect to any of the claims described herein, or any other proceeding commenced in the Debtor's chapter 11 case against or otherwise involving the Claimant; (d) a waiver or release of any right of the Claimant, or consent by the Claimant, to a trial by jury in this or any other court or proceeding; (e) a waiver or release of, or any limitation on, any right of the Claimant to have orders entered only after de novo review by a United States District Judge; (f) an election of remedies; or (g) a waiver of, or any other limitation on, any right of the Claimant to request withdrawal of the reference with respect to any matter, including, without limitation, any matter relating to this Proof of Claim.
- 7. Claimant's express reservation of all rights and causes of action, includes, without limitation, contingent or unliquidated rights that it or its affiliates may have against the Debtor,

as well as defenses, offsets and counterclaims. This description and classification of claims by the Claimant is not a concession or admission as to the correct characterization or treatment of any such claims or a waiver of any rights of the Claimant.

- 8. Furthermore, the Claimant expressly reserves its rights to (a) file additional proofs of claim for additional claims that may be based on the same or additional documents or facts or other liability or indebtedness of the Debtor to the Claimant under contract or otherwise; (b) assert claims for cure of defaults in any agreement that the Debtor or any trustee appointed in this chapter 11 case may seek to assume; (c) assert any and all other claims, causes of action, defenses, offsets or counterclaims against the Debtor or any other parties; (d) file a request for payment of an administrative expense under 11 U.S.C. §§ 503 and 507 for any or all of the claims or rights of payment described above and any additional amounts; and (e) seek recovery through any relevant third parties, including any of the Debtor's insurance coverage providers.
- 9. This Proof of Claim does not encompass all claims that the Claimant or its affiliates may have that arise after the Petition Date and are entitled to administrative priority, and the Claimant expressly reserves its right to file such claim or any similar claim at the appropriate time, including any such post-petition claims arising under these service contracts.
- 10. This Proof of Claim is filed without prejudice to the filing by the Claimant of additional proofs of claim or requests for payment with respect to any other indebtedness, liability or obligation of the Debtor. The Claimant does not, by this Proof of Claim or any amendment or other action, waive any rights with respect to any scheduled claim.
- 11. The Claimant reserves the right to withdraw, amend, clarify, modify or supplement this Proof of Claim to assert additional claims, causes of action or additional grounds for this Proof of Claim (including adding any additional contracts, agreements, obligations or

other relationships between the Claimant and the Debtor), as well as the right to file any separate or additional proofs of claim with respect to the claims set forth herein or otherwise, including for the purpose of fixing and liquidating any contingent or unliquidated claim set forth herein, or to file additional proofs of claim in respect of additional amounts or for any other reason.

- 12. In executing and filing this Proof of Claim, the Claimant does not submit to the jurisdiction of the Bankruptcy Court for the Northern District of Texas for any purpose other than with respect to this Proof of Claim against the Debtor, and does not waive or release any rights or remedies against any other person or entity that may be liable for all or part of this Proof of Claim.
- 13. The Claimant otherwise reserves its rights, and nothing herein shall prejudice the Claimant's rights, under any order of the Court previously entered in this chapter 11 case.
- 14. Payments on account of this Proof of Claim should be sent to the Claimant at the address specified for notices to the Claimant in Part 1.3 of the Proof of Claim.

Chapter 11

Highland Capital Management, L.P.

Case No. 19-34054 (SGJ)

Debtor.

ANNEX TO PROOF OF CLAIM

- 1. This annex (the "Annex") is part of and is incorporated by reference into the attached proof of claim (together with the Annex, the "Proof of Claim") and describes in more detail the claims of HarbourVest Skew Base AIF L.P. (the "Claimant") against the debtor Highland Capital Management, L.P. (the "Debtor").
- 2. The Claimant is a limited partner in one of the Debtor's managed vehicles, Highland CLO Funding, Ltd. ("HCLOF"). Acis Capital Management GP, L.L.C. and Acis Capital Management L.P. (together, "Acis"), the portfolio manager for HCLOF, filed for chapter 11 in the United States Bankruptcy Court for the Northern District of Texas (the "Court") on January 30, 2018. The Acis bankruptcy filing resulted from a dispute between Debtor and its former employee, Joshua Terry, who served as portfolio manager for Debtor's collateral loan obligations funds ("CLO") business. See, e.g., Findings of Fact and Conclusions of Law in Support of Orders for Relief Issued After Trial on Contested Involuntary Bankruptcy Petition ("Involuntary Petition Ruling") [Case No. 18-30264 (SGJ), Dkt. No. 118]. As noted in more detail in the Court's Bench Ruling and Memorandum of Law in Support of: (A) Final Approval of Disclosure Statement; and (B) Confirmation of Chapter 11 Trustee's Third Amended Joint Plan ("Confirmation Ruling") [Case No. 18-30264 (SGJ), Dkt. No 827] and related filings

in the Acis bankruptcy cases, there has been extensive litigation regarding alleged improper conduct associated with the management of, and transactions relating to, Acis, including transactions with and related to HCLOF. *See, e.g., id.*; *Second Amended Complaint* [Case No. 18-03078(SGJ), Dkt. No. 157].

- 3. Due to the Acis bankruptcy and certain conduct alleged to have been undertaken by the Debtor (to whom Acis subcontracted its functions) and Debtor's employees (who were officers, employees, and agents of Acis), the Claimant has suffered significant harm. Such harm includes, but is not limited to, financial harm resulting from, among other things (i) court orders in the Acis bankruptcy that prevented certain CLOs in which HCLOF was invested from being refinanced or reset and court orders that otherwise regulated the activity of HCLOF; and (ii) significant fees and expenses related to the Acis bankruptcy that were charged to HCLOF. See, e.g., Involuntary Petition Ruling ¶ 27; see also Confirmation Ruling.
- 4. Claimant hereby files this Claim to assert any and all of its rights to payment, remedies, and other claims (including contingent or unliquidated claims) against the Debtor in connection with and relating to the foregoing harm, including for any amounts due or owed under the various agreements with the Debtor in connection with HCLOF (including, but not limited to, the Subscription and Transfer Agreement for Ordinary Shares Highland CLO Funding, Ltd., dated as of November 15, 2017, the Members Agreement Relating to the Company, dated as of November 15, 2017, the Highland CLO Funding, Ltd. Offering Memorandum dated November 15, 2017), and any and all legal and equitable claims or causes of action relating to the foregoing harm.
- 5. The Claimant has not attached the documentation supporting this Claim to this Proof of Claim because the documentation is voluminous and the Debtor has copies of such

documents. However, any requested relevant documents will be provided to the Official Committee of Unsecured Creditors, the Court, the United States Trustee and the Debtor in the event of a dispute regarding this Proof of Claim and will be made available for review by other parties in interest as appropriate upon reasonable request and after consultation with the Debtor and execution of appropriate confidentiality agreements.

- This Proof of Claim is filed with a full reservation of rights, including the right to 6. amend, update, modify, supplement or otherwise revise this Proof of Claim in any respect at any time. The filing of this Proof of Claim is not and should not be construed to be: (a) a waiver or release of any of the Claimant's rights against any person, entity or property accruing to it against the Debtor and its estate; (b) a waiver of the Claimant's rights to assert that 28 U.S.C. § 157(b)(2)(C) is unconstitutional; (c) a consent or submission by the Claimant, or waiver of the Claimant's rights to object, to the jurisdiction of this Court with respect to the subject matter of any of the claims described herein, or any objection or other proceeding commenced with respect to any of the claims described herein, or any other proceeding commenced in the Debtor's chapter 11 case against or otherwise involving the Claimant; (d) a waiver or release of any right of the Claimant, or consent by the Claimant, to a trial by jury in this or any other court or proceeding; (e) a waiver or release of, or any limitation on, any right of the Claimant to have orders entered only after de novo review by a United States District Judge; (f) an election of remedies; or (g) a waiver of, or any other limitation on, any right of the Claimant to request withdrawal of the reference with respect to any matter, including, without limitation, any matter relating to this Proof of Claim.
- 7. Claimant's express reservation of all rights and causes of action, includes, without limitation, contingent or unliquidated rights that it or its affiliates may have against the Debtor,

as well as defenses, offsets and counterclaims. This description and classification of claims by the Claimant is not a concession or admission as to the correct characterization or treatment of any such claims or a waiver of any rights of the Claimant.

- 8. Furthermore, the Claimant expressly reserves its rights to (a) file additional proofs of claim for additional claims that may be based on the same or additional documents or facts or other liability or indebtedness of the Debtor to the Claimant under contract or otherwise; (b) assert claims for cure of defaults in any agreement that the Debtor or any trustee appointed in this chapter 11 case may seek to assume; (c) assert any and all other claims, causes of action, defenses, offsets or counterclaims against the Debtor or any other parties; (d) file a request for payment of an administrative expense under 11 U.S.C. §§ 503 and 507 for any or all of the claims or rights of payment described above and any additional amounts; and (e) seek recovery through any relevant third parties, including any of the Debtor's insurance coverage providers.
- 9. This Proof of Claim does not encompass all claims that the Claimant or its affiliates may have that arise after the Petition Date and are entitled to administrative priority, and the Claimant expressly reserves its right to file such claim or any similar claim at the appropriate time, including any such post-petition claims arising under these service contracts.
- 10. This Proof of Claim is filed without prejudice to the filing by the Claimant of additional proofs of claim or requests for payment with respect to any other indebtedness, liability or obligation of the Debtor. The Claimant does not, by this Proof of Claim or any amendment or other action, waive any rights with respect to any scheduled claim.
- 11. The Claimant reserves the right to withdraw, amend, clarify, modify or supplement this Proof of Claim to assert additional claims, causes of action or additional grounds for this Proof of Claim (including adding any additional contracts, agreements, obligations or

Chapter 11

Highland Capital Management, L.P.

Case No. 19-34054 (SGJ)

Debtor.

ANNEX TO PROOF OF CLAIM

- 1. This annex (the "Annex") is part of and is incorporated by reference into the attached proof of claim (together with the Annex, the "Proof of Claim") and describes in more detail the claims of HarbourVest Partners L.P. on behalf of funds and accounts under management (the "Claimant") against the debtor Highland Capital Management, L.P. (the "Debtor").
- 2. The Claimant manages investment funds that are limited partners in one of the Debtor's managed vehicles, Highland CLO Funding, Ltd. ("HCLOF"). Acis Capital Management GP, L.L.C. and Acis Capital Management L.P. (together, "Acis"), the portfolio manager for HCLOF, filed for chapter 11 in the United States Bankruptcy Court for the Northern District of Texas (the "Court") on January 30, 2018. The Acis bankruptcy filing resulted from a dispute between Debtor and its former employee, Joshua Terry, who served as portfolio manager for Debtor's collateral loan obligations funds ("CLO") business. See, e.g., Findings of Fact and Conclusions of Law in Support of Orders for Relief Issued After Trial on Contested Involuntary Bankruptcy Petition ("Involuntary Petition Ruling") [Case No. 18-30264 (SGJ), Dkt. No. 118]. As noted in more detail in the Court's Bench Ruling and Memorandum of Law in Support of: (A) Final Approval of Disclosure Statement; and (B) Confirmation of Chapter 11 Trustee's Third

Amended Joint Plan ("Confirmation Ruling") [Case No. 18-30264 (SGJ), Dkt. No 827] and related filings in the Acis bankruptcy cases, there has been extensive litigation regarding alleged improper conduct associated with the management of, and transactions relating to, Acis, including transactions with and related to HCLOF. See, e.g., id.; Second Amended Complaint [Case No. 18-03078(SGJ), Dkt. No. 157].

- 3. Due to the Acis bankruptcy and certain conduct alleged to have been undertaken by the Debtor (to whom Acis subcontracted its functions) and Debtor's employees (who were officers, employees, and agents of Acis), the Claimant has suffered significant harm. Such harm includes, but is not limited to, financial harm resulting from, among other things (i) court orders in the Acis bankruptcy that prevented certain CLOs in which HCLOF was invested from being refinanced or reset and court orders that otherwise regulated the activity of HCLOF; and (ii) significant fees and expenses related to the Acis bankruptcy that were charged to HCLOF. See, e.g., Involuntary Petition Ruling ¶ 27; see also Confirmation Ruling.
- 4. Claimant hereby files this Claim to assert any and all of its rights to payment, remedies, and other claims (including contingent or unliquidated claims) against the Debtor in connection with and relating to the foregoing harm, including for any amounts due or owed under the various agreements with the Debtor in connection with HCLOF (including, but not limited to, the Subscription and Transfer Agreement for Ordinary Shares Highland CLO Funding, Ltd., dated as of November 15, 2017, the Members Agreement Relating to the Company, dated as of November 15, 2017, the Highland CLO Funding, Ltd. Offering Memorandum dated November 15, 2017), and any and all legal and equitable claims or causes of action relating to the foregoing harm.

- 5. The Claimant has not attached the documentation supporting this Claim to this Proof of Claim because the documentation is voluminous and the Debtor has copies of such documents. However, any requested relevant documents will be provided to the Official Committee of Unsecured Creditors, the Court, the United States Trustee and the Debtor in the event of a dispute regarding this Proof of Claim and will be made available for review by other parties in interest as appropriate upon reasonable request and after consultation with the Debtor and execution of appropriate confidentiality agreements.
- This Proof of Claim is filed with a full reservation of rights, including the right to amend, update, modify, supplement or otherwise revise this Proof of Claim in any respect at any time. The filing of this Proof of Claim is not and should not be construed to be: (a) a waiver or release of any of the Claimant's rights against any person, entity or property accruing to it against the Debtor and its estate; (b) a waiver of the Claimant's rights to assert that 28 U.S.C. § 157(b)(2)(C) is unconstitutional; (c) a consent or submission by the Claimant, or waiver of the Claimant's rights to object, to the jurisdiction of this Court with respect to the subject matter of any of the claims described herein, or any objection or other proceeding commenced with respect to any of the claims described herein, or any other proceeding commenced in the Debtor's chapter 11 case against or otherwise involving the Claimant; (d) a waiver or release of any right of the Claimant, or consent by the Claimant, to a trial by jury in this or any other court or proceeding; (e) a waiver or release of, or any limitation on, any right of the Claimant to have orders entered only after de novo review by a United States District Judge; (f) an election of remedies; or (g) a waiver of, or any other limitation on, any right of the Claimant to request withdrawal of the reference with respect to any matter, including, without limitation, any matter relating to this Proof of Claim.

- 7. Claimant's express reservation of all rights and causes of action, includes, without limitation, contingent or unliquidated rights that it or its affiliates may have against the Debtor, as well as defenses, offsets and counterclaims. This description and classification of claims by the Claimant is not a concession or admission as to the correct characterization or treatment of any such claims or a waiver of any rights of the Claimant.
- 8. Furthermore, the Claimant expressly reserves its rights to (a) file additional proofs of claim for additional claims that may be based on the same or additional documents or facts or other liability or indebtedness of the Debtor to the Claimant under contract or otherwise; (b) assert claims for cure of defaults in any agreement that the Debtor or any trustee appointed in this chapter 11 case may seek to assume; (c) assert any and all other claims, causes of action, defenses, offsets or counterclaims against the Debtor or any other parties; (d) file a request for payment of an administrative expense under 11 U.S.C. §§ 503 and 507 for any or all of the claims or rights of payment described above and any additional amounts; and (e) seek recovery through any relevant third parties, including any of the Debtor's insurance coverage providers.
- 9. This Proof of Claim does not encompass all claims that the Claimant or its affiliates may have that arise after the Petition Date and are entitled to administrative priority, and the Claimant expressly reserves its right to file such claim or any similar claim at the appropriate time, including any such post-petition claims arising under these service contracts.
- 10. This Proof of Claim is filed without prejudice to the filing by the Claimant of additional proofs of claim or requests for payment with respect to any other indebtedness, liability or obligation of the Debtor. The Claimant does not, by this Proof of Claim or any amendment or other action, waive any rights with respect to any scheduled claim.

- 11. The Claimant reserves the right to withdraw, amend, clarify, modify or supplement this Proof of Claim to assert additional claims, causes of action or additional grounds for this Proof of Claim (including adding any additional contracts, agreements, obligations or other relationships between the Claimant and the Debtor), as well as the right to file any separate or additional proofs of claim with respect to the claims set forth herein or otherwise, including for the purpose of fixing and liquidating any contingent or unliquidated claim set forth herein, or to file additional proofs of claim in respect of additional amounts or for any other reason.
- 12. In executing and filing this Proof of Claim, the Claimant does not submit to the jurisdiction of the Bankruptcy Court for the Northern District of Texas for any purpose other than with respect to this Proof of Claim against the Debtor, and does not waive or release any rights or remedies against any other person or entity that may be liable for all or part of this Proof of Claim.
- 13. The Claimant otherwise reserves its rights, and nothing herein shall prejudice the Claimant's rights, under any order of the Court previously entered in this chapter 11 case.
- 14. Payments on account of this Proof of Claim should be sent to the Claimant at the address specified for notices to the Claimant in Part 1.3 of the Proof of Claim.

B. Overview of HarbourVest's Claims

- 10. HarbourVest's claims against the Debtor's estate arise from its \$80 million investment in Highland CLO Funding, f/k/a Acis Loan Funding, Ltd. ("<u>HCLOF</u>"), pursuant to which HarbourVest obtained a 49 percent interest in HCLOF (the "Investment").
- 11. In brief, HarbourVest contends that it was fraudulently induced into entering into the Investment based on the Debtor's misrepresentations and omissions concerning certain material facts, including that the Debtor: (1) failed to disclose that it never intended to pay an arbitration award obtained by a former portfolio manager, (2) failed to disclose that it engaged in a series of fraudulent transfers for the purpose of preventing the former portfolio manager from collecting on his arbitration award and misrepresented the reasons changing the portfolio manager for HCLOF immediately prior to the Investment, (3) indicated that the dispute with the former portfolio manager would not impact investment activities, and (4) expressed confidence in the ability of HCLOF to reset or redeem the collateralized loan obligations ("CLOS") under its control.
- 12. HarbourVest seeks to rescind its Investment and claims damages in excess of \$300 million based on theories of fraud, fraudulent inducement, fraudulent concealment, fraudulent misrepresentation, negligent misrepresentation, and breach of fiduciary duty (under Guernsey law), and on alleged violations of state securities laws and the Racketeer Influenced Corrupt Organization Act ("RICO").
 - 13. HarbourVest's allegations are summarized below.⁴

⁴ Solely for purposes of this Motion, and not for any other reason, the facts set forth herein are adopted largely from the *HarbourVest Response to Debtor's First Omnibus Objection to Certain (A) Duplicate Claims; (B) Overstated Claims; (C) Late-Filed Claims; (D) Satisfied Claims; (E) No-Liability Claims; and (F) Insufficient-Documentation Claims* [Docket No. 1057] (the "Response").

C. Summary of HarbourVest's Factual Allegations

- 14. At the time HarbourVest made its Investment, the Debtor was embroiled in an arbitration against Joshua Terry ("Mr. Terry"), a former employee of the Debtor and limited partner of Acis Capital Management, L.P. ("Acis LP"). Through Acis LP, Mr. Terry managed Highland's CLO business, including CLO-related investments held by Acis Loan Funding, Ltd. ("Acis Funding").
- Debtor terminated Mr. Terry and commenced an action against him in Texas state court. Mr. Terry asserted counterclaims for wrongful termination and for the wrongful taking of his ownership interest in Acis LP and subsequently had certain claims referred to arbitration where he obtained an award of approximately \$8 million (the "Arbitration Award") on October 20, 2017.
- 16. HarbourVest alleges that the Debtor responded to the Arbitration Award by engaging in a series of fraudulent transfers and corporate restructurings, the true purposes of which were fraudulently concealed from HarbourVest.
- 17. For example, according to HarbourVest, the Debtor changed the name of the target fund from Acis Funding to "Highland CLO Funding, Ltd." ("HCLOF") and "swapped out" Acis LP for Highland HCF Advisor, Ltd. as portfolio manager (the "Structural Changes"). The Debtor allegedly told HarbourVest that it made these changes because of the "reputational harm" to Acis LP resulting from the Arbitration Award. The Debtor further told HarbourVest that in lieu of redemptions, resetting the CLOs was necessary, and that it would be easier to reset them under the "Highland" CLO brand instead of the Acis CLO brand.
- 18. In addition, HarbourVest also alleges that the Debtor had no intention of allowing Mr. Terry to collect on his Arbitration Award, and orchestrated a scheme to "denude"

Acis of assets by fraudulently transferring virtually all of its assets and attempting to transfer its profitable portfolio management contracts to non-Acis, Debtor-related entities.

- 19. Unaware of the fraudulent transfers or the true purposes of the Structural Changes, and in reliance on representations made by the Debtor, HarbourVest closed on its Investment in HCLOF on November 15, 2017.
- 20. After discovering the transfers that occurred between Highland and Acis between October and December 2017 following the Arbitration Award (the "<u>Transfers</u>"), on January 24, 2018, Terry moved for a temporary restraining order (the "<u>TRO</u>") from the Texas state court on the grounds that the Transfers were pursued for the purpose of rendering Acis LP judgment-proof. The state court granted the TRO, enjoining the Debtor from transferring any CLO management contracts or other assets away from Acis LP.
- 21. On January 30, 2018, Mr. Terry filed involuntary bankruptcy petitions against Acis LP and its general partner, Acis Capital Management GP, LLC. See In re Acis Capital Management, L.P., Case No. 18-30264-sgj11 (Bankr. N.D. Tex. 2018) and In re Acis Capital Management GP, LLC, Case No. 18-30265-sgj11 (Bankr. N.D. Tex. 2018) (collectively, the "Acis Bankruptcy Case"). The Bankruptcy Court overruled the Debtor's objection, granted the involuntary petitions, and appointed a chapter 11 trustee (the "Acis Trustee"). A long sequence of events subsequently transpired, all of which relate to HarbourVest's claims, including:
 - On May 31, 2018, the Court issued a *sua sponte* TRO preventing any actions in furtherance of the optional redemptions or other liquidation of the Acis CLOs.
 - On June 14, 2018, HCLOF withdrew optional redemption notices.
 - The TRO expired on June 15, 2018, and HCLOF noticed the Acis Trustee that it was requesting an optional redemption.

- HCLOF's request was withdrawn on July 6, 2018, and on June 21, 2018, the Acis Trustee sought an injunction preventing Highland/HCLOF from seeking further redemptions (the "Preliminary Injunction").
- The Court granted the Preliminary Injunction on July 10, 2018, pending the Acis Trustee's attempts to confirm a plan or resolve the Acis Bankruptcy.
- On August 30, 2018, the Court denied confirmation of the First Amended Joint Plan for Acis, and held that the Preliminary Injunction must stay in place on the ground that the "evidence thus far has been compelling that numerous transfers after the Josh Terry judgment denuded Acis of value."
- After the Debtor made various statements implicating HarbourVest in the Transfers, the Acis Trustee investigated HarbourVest's involvement in such Transfers, including extensive discovery and taking a 30(b)(6) deposition of HarbourVest's managing director, Michael Pugatch, on November 17, 2018.
- On March 20, 2019, HCLOF sent a letter to Acis LP stating that it was not interested in pursuing, or able to pursue, a CLO reset transaction.

D. The Parties' Pleadings and Positions Concerning HarbourVest's Proofs of Claim

- 22. On April 8, 2020, HarbourVest filed proofs of claim against Highland that were subsequently denoted by the Debtor's claims agents as claim numbers 143, 147, 149, 150, 153, and 154, respectively (collectively, the "Proofs of Claim"). Morris Dec. Exhibits 2-7.
- 23. The Proofs of Claim assert, among other things, that HarbourVest suffered significant harm due to conduct undertaken by the Debtor and the Debtor's employees, including "financial harm resulting from (i) court orders in the Acis Bankruptcy that prevented certain CLOs in which HCLOF was invested from being refinanced or reset and court orders that otherwise relegated the activity of HCLOF [*i.e.*, the Preliminary Injunction]; and (ii) significant fees and expenses related to the Acis Bankruptcy that were charged to HCLOF." *See, e.g.*, Morris Dec. Exhibit 2 ¶3.
- 24. HarbourVest also asserted "any and all of its right to payment, remedies, and other claims (including contingent or unliquidated claims) against the Debtor in connection with and relating to the forgoing harm, including for any amounts due or owed under the various

agreements with the Debtor in connection with relating to" the Operative Documents "and any and all legal and equitable claims or causes of action relating to the forgoing harm." *See, e.g.*, Morris Dec. Exhibit 2 ¶4.

- 25. Highland subsequently objected to HarbourVest's Proofs of Claim on the grounds that they were no-liability claims. [Docket No. 906] (the "Claim Objection").
- 26. On September 11, 2020, HarbourVest filed its Response. The Response articulated specified claims under U.S. federal and state and Guernsey law, including claims for fraud, fraudulent concealment, fraudulent inducement, fraudulent misrepresentation, negligent misrepresentation (collectively, the "Fraud Claims"), U.S. State and Federal Securities Law Claims (the "Securities Claims"), violations of the Federal Racketeer Influenced and Corrupt Organizations Act ("RICO"), breach of fiduciary duty and misuse of fund assets, and an unfair prejudice claim under Guernsey law (collectively, with the Proofs of Claim, the "HarbourVest Claims").
- 27. On October 18, 2020, HarbourVest filed its *Motion of HarbourVest Pursuant to Rule 3018 of the Federal Rules of Bankruptcy Procedure for Temporary Allowance of Claims for Purposes of Voting to Accept or Reject the Plan* [Docket No. 1207] (the "3018 Motion"). In its 3018 Motion, HarbourVest sought for its Claims to be temporarily allowed for voting purposes in the amount of more than \$300 million (based largely on a theory of treble damages).

E. Settlement Discussions

- 28. In October, the parties discussed the possibility of resolving the Rule 3018 Motion.
- 29. In November, the parties broadened the discussions in an attempt to reach a global resolution of the HarbourVest Claims. In the pursuit thereof, the parties and their

counsel participated in several conference calls where they engaged in a spirited exchange of perspectives concerning the facts and the law.

- 30. During follow up meetings, the parties' interests became more defined. Specifically, HarbourVest sought to maximize its recovery while fully extracting itself from the Investment, while the Debtor sought to minimize the HarbourVest Claims consistent with its perceptions of the facts and law.
- 31. After the parties' interests became more defined, the principals engaged in a series of direct, arm's-length, telephonic negotiations that ultimately lead to the settlement, whose terms are summarized below.

F. Summary of Settlement Terms

- 32. The Settlement Agreement contains the following material terms, among others:
 - HarbourVest shall transfer its entire interest in HCLOF to an entity to be designated by the Debtor;⁵
 - HarbourVest shall receive an allowed, general unsecured, non-priority claim in the amount of \$45 million and shall vote its Class 8 claim in that amount to support the Plan:
 - HarbourVest shall receive a subordinated, allowed, general unsecured, non-priority claim in the amount of \$35 million and shall vote its Class 9 claim in that amount to support the Plan;
 - HarbourVest will support confirmation of the Debtor's Plan, including, but not limited to, voting its claims in support of the Plan;
 - The HarbourVest Claims shall be allowed in the aggregate amount of \$45 million for voting purposes;
 - HarbourVest will support the Debtor's pursuit of its pending Plan of Reorganization; and
 - The parties shall exchange mutual releases.

⁵ The NAV for HarbourVest's 49.98% interest in HCLOF was estimated to be approximately \$22 million as of December 1, 2020.

See generally Morris Dec. Exhibit 1.

BASIS FOR RELIEF REQUESTED

33. Bankruptcy Rule 9019 governs the procedural prerequisites to approval of a settlement, providing that:

On motion by the trustee and after notice and a hearing, the court may approve a compromise or settlement. Notice shall be given to creditors, the United States trustee, the debtor, and indenture trustees as provided in Rule 2002 and to any other entity as the court may direct.

FED. R. BANKR. P. 9019(a).

- 34. Settlements in bankruptcy are favored as a means of minimizing litigation, expediting the administration of the bankruptcy estate, and providing for the efficient resolution of bankruptcy cases. *See Myers v. Martin (In re Martin)*, 91 F.3d 389, 393 (3d Cir. 1996); *Rivercity v. Herpel (In re Jackson Brewing Co.)*, 624 F.2d 599, 602 (5th Cir. 1980). Pursuant to Bankruptcy Rule 9019(a), a bankruptcy court may approve a compromise or settlement as long as the proposed settlement is fair, reasonable, and in the best interest of the estate. *See In re Age Ref. Inc.*, 801 F.3d 530, 540 (5th Cir. 2015). Ultimately, "approval of a compromise is within the sound discretion of the bankruptcy court." *See United States v. AWECO, Inc. (In re AWECO, Inc.)*, 725 F.2d 293, 297 (5th Cir. 1984); *Jackson Brewing*, 624 F.2d at 602–03.
- Fifth Circuit applies a three-part test, "with a focus on comparing 'the terms of the compromise with the rewards of litigation." *Official Comm. of Unsecured Creditors v. Cajun Elec. Power Coop.* (In re Cajun Elec. Power Coop.), 119 F.3d 349, 356 (5th Cir. 1997) (citing Jackson Brewing, 624 F.2d at 602). The Fifth Circuit has instructed courts to consider the following factors: "(1) The probability of success in the litigation, with due consideration for the uncertainty of law and fact, (2) The complexity and likely duration of the litigation and any

attendant expense, inconvenience and delay, and (3) All other factors bearing on the wisdom of the compromise." *Id.* Under the rubric of the third factor referenced above, the Fifth Circuit has specified two additional factors that bear on the decision to approve a proposed settlement. First, the court should consider "the paramount interest of creditors with proper deference to their reasonable views." *Id.*; *Conn. Gen. Life Ins. Co. v. United Cos. Fin. Corp. (In re Foster Mortgage Corp.)*, 68 F.3d 914, 917 (5th Cir. 1995). Second, the court should consider the "extent to which the settlement is truly the product of arms-length bargaining, and not of fraud or collusion." *Age Ref. Inc.*, 801 F.3d at 540; *Foster Mortgage Corp.*, 68 F.3d at 918 (citations omitted).

- 36. There is ample basis to approve the proposed Settlement Agreement based on the Rule 9019 factors set forth by the Fifth Circuit.
- 37. First, although the Debtor believes that it has valid defenses to the HarbourVest Claims, there is no guarantee that the Debtor would succeed in its litigation with HarbourVest. Indeed, to establish its defenses, the Debtor would be required to rely, at least in part, on the credibility of witnesses whose veracity has already been called into question by this Court. Moreover, it will be difficult to dispute that the Transfers precipitated the Acis Bankruptcy, and, ultimately, the imposition of the Bankruptcy Court's TRO that restricted HCLOF's ability to reset or redeem the CLOs and that is at the core of the HarbourVest Claims.
- 38. The second factor—the complexity, duration, and costs of litigation—also weighs heavily in favor of approving the Settlement Agreement. As this Court is aware, the events forming the basis of the HarbourVest Claims—including the Terry Litigation and Acis Bankruptcy—proceeded *for years* in this Court and in multiple other forums, and has already cost the Debtor's estate millions of dollars in legal fees. If the Settlement Agreement is not approved, then the parties will expend significant resources litigating a host of fact-intensive

issues including, among other things, the substance and materiality of the Debtor's alleged fraudulent statements and omissions and whether HarbourVest reasonably relied on those statements and omissions.

- 39. Third, approval of the Settlement Agreement is justified by the paramount interest of creditors. Specifically, the settlement will enable the Debtor to: (a) avoid incurring substantial litigation costs; (b) avoid the litigation risk associated with HarbourVest's \$300 million claim; and (c) through the plan support provisions, increase the likelihood that the Debtor's pending plan of reorganization will be confirmed.
- 40. Finally, the Settlement Agreement was unquestionably negotiated at arm's-length. The terms of the settlement are the result of numerous, ongoing discussions and negotiations between the parties and their counsel and represent neither party's "best case scenario." Indeed, the Settlement Agreement should be approved as a rational exercise of the Debtor's business judgment made after due deliberation of the facts and circumstances concerning HarbourVest's Claims.

NO PRIOR REQUEST

41. No previous request for the relief sought herein has been made to this, or any other, Court.

NOTICE

42. Notice of this Motion shall be given to the following parties or, in lieu thereof, to their counsel, if known: (a) counsel for HarbourVest; (b) the Office of the United States Trustee; (c) the Office of the United States Attorney for the Northern District of Texas; (d) the Debtor's principal secured parties; (e) counsel to the Committee; and (f) parties requesting notice pursuant to Bankruptcy Rule 2002. The Debtor submits that, in light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtor respectfully requests entry of an order, substantially in the form attached hereto as Exhibit A, (a) granting the relief requested herein, and (b) granting such other relief as is just and proper.

ATTORNEYS FOR JAMES DONDERO

IN THE UNITED STATES BANKRUPTCY COURT FOR THE NORTHERN DISTRICT OF TEXAS DALLAS DIVISION

JAMES DONDERO'S OBJECTION TO DEBTOR'S MOTION FOR ENTRY OF AN ORDER APPROVING SETTLEMENT WITH HARBOURVEST [Relates to Docket No. 1625]

James Dondero ("Respondent"), a creditor, indirect equity security holder, and party in interest in the above-captioned bankruptcy case, hereby files this Objection to *Debtor's Motion for Entry of an Order Approving Settlement with HarbourVest (Claim Nos. 143, 147, 149, 150, 153, 154)* [Docket No. 1625] (the "Motion") filed by Highland Capital Management, L.P. (the "Debtor"). Through the Motion, the Debtor seeks approval of its compromise with HarbourVest 2017 Global Fund L.P., HarbourVest 2017 Global AIF L.P., HarbourVest Dover Street IX Investment L.P., HV International VIII Secondary L.P., HarbourVest Skew Base AIF L.P., and HarbourVest Partners L.P. (collectively, "HarbourVest") pursuant to Rule 9019 of the Federal

Rules of Bankruptcy Procedure (the "<u>Bankruptcy Rules</u>"). In support of this objection, Respondent respectfully represents as follows:

I. <u>INTRODUCTION</u>

1. Under Bankruptcy Rule 9019, the Bankruptcy Court is tasked with making an independent judgment on the merits of a proposed settlement to ensure that the proposed settlement is "fair, equitable, and in the best interest of the estate." While Respondent recognizes the Debtor's efforts in arranging a settlement, there are at least three significant issues with the terms of the settlement that merit denial of the Motion: (i) the proposed settlement is not reasonable or in the best interest of the estate given the weakness of the HarbourVest Claim (as hereinafter defined); (ii) the proposed settlement is a blatant attempt to purchase votes in support of Debtor's plan by giving HarbourVest a significant claim to which it would not otherwise be entitled; and (iii) the proposed settlement seeks to improperly classify the HarbourVest Claim² in two separate classes in order to gerrymander an affirmative vote on its reorganization plan. Moreover, the proposed settlement does not satisfy the factors for approval fixed by case law. On information and belief, Debtor's CEO/CRO, Mr. Seery, has previously asserted on multiple occasions that the HarbourVest Claim had no value and that the Debtor could resolve such claim for no more than \$5 million. While Respondent and Mr. Seery have had a number of disagreements in this case, Respondent agrees with Mr. Seery's initial conclusion that the HarbourVest Claim is substantially without merit. Respondent understands that any settlement will not necessarily provide the best possible outcome for the Debtor, but in this instance the proposed settlement far exceeds the bounds of reasonableness and, on its face, is an attempt by the Debtor to purchase votes in favor

¹ See In re Jackson Brewing Co., 624 F.2d 599, 602 (5th Cir. 1980).

² While HarbourVest has filed a number of claims, each filed claim is exactly the same except in the name of the claimant. *See* Claim Nos. 143, 147, 149, 150, 153, and 154.

of confirmation of its Plan. Given the Debtor's prior positions as to the merits of HarbourVest Claim it is necessary for the Court to closely scrutinize the settlement to determine why the Debtor now believes granting HarbourVest a net claim of nearly \$60 million³ resulting from HarbourVest's investment in a non-debtor entity (which was and is managed by a non-debtor) to be in the best interest of the estate. Upon close scrutiny, Respondent believes the Court will find that the proposed settlement is not reasonable or in the best interest of the estate and the Motion therefore should be denied.

II. <u>BACKGROUND</u>

- 2. On October 16, 2019 (the "<u>Petition Date</u>"), the Debtor filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the "<u>Bankruptcy Code</u>") in the U.S. Bankruptcy Court for the District of Delaware, Case No. 19-12239 (CSS) (the "<u>Delaware Court</u>").
- 3. On October 29, 2019, the Official Committee of Unsecured Creditors (the "Committee") was appointed by the U.S. Trustee in Delaware.
- 4. On December 4, 2019, the Delaware Court entered an order transferring venue of the Debtor's Bankruptcy Case to this Court [Docket No. 186].
- 5. On December 27, 2019, the Debtor filed that certain *Motion of the Debtor for Approval of Settlement with the Official Committee of Unsecured Creditors Regarding Governance of the Debtor and Procedures for Operations in the Ordinary Course* [Docket No. 281] (the "Settlement Motion"). This Court approved the Settlement Motion on January 9, 2020 [Docket No. 339] (the "Settlement Order").

³ The proposed settlement provides that HarbourVest shall receive an allowed general unsecured (Class 8) claim in the amount of \$45 million and an allowed subordinated general unsecured (Class 9) claim in the amount of \$35 million. As part of the settlement, HarbourVest will then transfer its entire interest in Highland CLO Funding, Ltd. ("<u>HCLOF</u>") to an entity to be designated by the Debtor. The Debtor states that the value of this interest is approximately \$22 million as of December 1, 2020.

- 6. In connection with the Settlement Order, an independent board of directors was appointed on January 9, 2020, for the Debtor's general partner, Strand Advisors, Inc. (the "Board"). The members of the Board are James P. Seery, Jr., John S. Dubel, and Russell F. Nelms.
- 7. On July 16, 2020, this Court entered an order authorizing the Debtor to employ James P. Seery, Jr. as Chief Executive Officer and Chief Restructuring Officer of the Debtor. *See* Docket No. 854.
- 8. On April 8, 2020, HarbourVest filed Proofs of Claim Numbers 143, 149, 149, 150, 153, and 154 (collectively, the "HarbourVest Claim")⁴.
- 9. On July 30, 2020, the Debtor filed *Debtor's First Omnibus Objection to Certain*(A) Duplicate Claims; (B) Overstated Claims; (C) Late-Filed Claims; (D) Satisfied Claims; (E)
 No Liability Claims; and (F) Insufficient-Documentation Claims [Docket No. 906] (the "Debtor Objection"), which contained an objection to the HarbourVest Claim.
- 10. On September 11, 2020, HarbourVest filed *HarbourVest Response to Debtor's*First Omnibus Objection to Certain (A) Duplicate Claims; (B) Overstated Claims; (C) Late-Filed

 Claims; (D) Satisfied Claims; (E) No Liability Claims; and (F) Insufficient-Documentation Claims

 [Docket No. 1057] (the "HarbourVest Response").
- 11. On December 23, 2020, the Debtor filed the Motion seeking approval of a proposed settlement of the HarbourVest Claim under Rule 9019. Docket No. 1625.

III. LEGAL STANDARD

12. The merits of a proposed compromise should be judged under the criteria set forth in *Protective Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414 (1968). *TMT Trailer* requires that a compromise must be "fair and equitable." *TMT Trailer*, 390

⁴ While HarbourVest has filed a number of claims, each filed claim is exactly the same except in the name of the claimant. *See* Claim Nos. 143, 147, 149, 150, 153, and 154.

U.S. at 424; *In re AWECO, Inc.*, 725 F.2d 293, 298 (5th Cir. 1984). The terms "fair and equitable," commonly referred to as the "absolute priority rule," mean that (i) senior interests are entitled to full priority over junior interests; and (ii) the compromise is reasonable in relation to the likely rewards of litigation. *In re Cajun Electric Power Coop.*, 119 F.3d 349, 355 (5th Cir. 1997); *In re Jackson Brewing Co.*, 624 F.2d 599, 602 (5th Cir. 1980).

- 13. In determining whether a proposed compromise is fair and equitable, a Court should consider the following factors:
 - (i) the probabilities of ultimate success should the claim be litigated;
 - (ii) the complexity, expense, and likely duration of litigating the claim;
 - (iii) the difficulties of collecting a judgment rendered from such litigation; and,
 - (iv) all other factors relevant to a full and fair assessment of the wisdom of the compromise.

TMT Trailer, 390 U.S. at 424.

- 14. In considering whether to approve a proposed compromise, the bankruptcy judge "may not simply accept the trustee's word that the settlement is reasonable, nor may he merely 'rubber stamp' the trustee's proposal." *In re Am. Res. Corp.*, 841 F.2d 159, 162 (7th Cir. 1987). "[T]he bankruptcy judge must apprise himself of all facts necessary to evaluate the settlement and make an informed and independent judgment about the settlement." *See TMT Trailer*, 390 U.S. at 424, 434.
- 15. While the trustee's business judgment is entitled to a certain deference, "business judgment is not alone determinative of the issue of court approval." *See In re Endoscopy Ctr. of S. Nev., LLC*, 451 B.R. 527, 536 (Bankr. D. Nev. 2011). Further, the business judgment rule does not provide a debtor with "unfettered freedom" to do as it wishes. *See In re Pilgrim's Pride Corp.*, 403 B.R. 413, 426 (Bankr. N.D. Tex. 2009) ("[A]s a fiduciary holding its estate in trust and responsible

to the court, a debtor in possession must administer its case and conduct its business in a fashion amenable to the scrutiny to be expected from creditor and court oversight."). The Court must conduct an "intelligent, objective and educated evaluation" of the proposed settlement "to ensure that the settlement is fair, equitable, and in the best interest of the estate and creditors." *See In re Mirant Corp.*, 348 B.R. 725, 739 (Bankr. N.D. Tex. 2006) (quoting *Conn. Gen. Life Ins. Co. v. Foster Mortgage Corp.* (*In re Foster Mortgage Corp.*), 68 F.3d 914, 917 (5th Cir. 1995)).

IV. ARGUMENT AND AUTHORITIES

16. As discussed in detail below, there are three significant issues with the terms of the settlement that merit denial of the Motion: (i) the proposed settlement is not reasonable or in the best interest of the estate given the weakness of the HarbourVest Claim; (ii) the proposed settlement is a blatant attempt to purchase votes in support of Debtor's plan by giving HarbourVest a substantial claim to which it is not entitled; and (iii) the proposed settlement seeks to improperly classify HarbourVest's one claim in two separate classes in order to gerrymander an affirmative vote on its reorganization plan. For these and certain additional reasons as discussed below, the Motion should be denied.

A. Through its Claim, HarbourVest Seeks to Revisit this Court's Orders in the Acis Case

17. As an initial matter, through its proofs of claim, HarbourVest appears to be second guessing the Court's judgment in the Chapter 11 case of Acis Capital Management, LP and Acis Capital Management GP, LLC (collectively, "Acis") and seeking to revisit the Court's orders entered in that case years ago. HarbourVest appears to being arguing that the TRO and injunction

⁵ In re Jackson Brewing Co., 624 F.2d 599, 602 (5th Cir. 1980) ("To assure a proper compromise the bankruptcy judge, must be apprised of all the necessary facts for an intelligent, objective and educated evaluation. He must compare the terms of the compromise with the likely rewards of litigation.").

entered in the Acis case that prevented redemptions or resets in the CLOs are now the root cause

of the decrease in value of its investment in HCLOF.

18. Specifically, the claim states that HarbourVest incurred "financial harm resulting

from, among other things (i) court orders in the Acis bankruptcy that prevented certain CLOs in

which HCLOF was invested from being refinanced or reset and court orders that otherwise

regulated the activity of HCLOF."6

19. Essentially, HarbourVest is saying that the orders entered in the Acis case did not

actually protect the investors and their investments, but instead were a triggering cause for the

alleged diminution in value of its investment in HCLOF. Nevertheless, even though the value of

HCLOF dropped dramatically only after the Effective Date of Acis's Plan, years later and despite

the lack of Debtor involvement in managing HarbourVest's investment, HarbourVest now seeks

to impute liability to the Debtor through a flimsy narrative designed to recoup investment losses

unrelated to the Debtor and for which the Debtor owed HarbourVest no duty.

20. That HarbourVest now, years later, seeks to revisit this Court's Acis orders raises

a number of issues, including those as to HarbourVest's involvement (or lack thereof) in the Acis

case, whether the orders, Plan, or Confirmation Order in the Acis case may bar some of the relief

requested by HarbourVest here, and questions related to the merits of the HarbourVest Claim and

the legal grounds allegedly supporting it.

⁶ See Proof of Claim 143, para. 3 ("Due to the Acis bankruptcy and certain conduct alleged to have been undertaken by the Debtor (to whom Acis subcontracted its functions) and Debtor's employees (who were officers, employees, and agents of Acis), the Claimant has suffered significant harm. Such harm includes, but is not limited to, financial harm resulting from, among other things (i) court orders in the Acis bankruptcy that prevented certain CLOs in which HCLOF was invested from being refinanced or reset and court orders that otherwise regulated the activity of HCLOF;

and (ii) significant fees and expenses related to the Acis bankruptcy that were charged to HCLOF.").

B. The HarbourVest Claim Lacks Merit and the Proposed Settlement is Not Reasonable

21. Based on the HarbourVest Claim and its filed response to the Debtor's objection,

Respondent believes that the HarbourVest claim is meritless and the proposed settlement is not

reasonable, fair and equitable, or in the best interest of the estate.

22. First, the proposed settlement is concerning particularly because HarbourVest's

bare bones proof of claim contains very little in terms of allegations of specific conduct against

the Debtor that would give rise to a \$60 million claim against this estate. While HarbourVest's

response to the Debtor's claim objection is lengthy, it contains very little in real substance

supporting its right to such a claim against the estate. The response also omits a number of key

facts that are relevant and potentially fatal to its claim for damages against the Debtor's estate.

Among them is the fact that Acis (and thereafter Reorganized Acis), along with Mr. Joshua Terry,

managed HarbourVest's investment for years after it was made. Despite this fact, HarbourVest's

alleged damages appear to be based largely on the difference between the value of its initial

investment at confirmation of Acis's Plan and the current value of the investment—which amount

was directly determined by the performance of the CLOs that Acis managed during this time.⁸

Neither the claim nor the response directly address the implications of Acis's management of the

CLOs during the period following HarbourVest's investment. Nor does HarbourVest address or

discuss performance of the CLOs, the market forces that may have caused HarbourVest's

investment to lose value, or other factors influencing the current value of its investment. The

⁷ See, e.g., HarbourVest Proof of Claim 143, p. 5 ("The Claimant is a limited partner in one of the Debtor's managed vehicles, Highland CLO Funding, Ltd. ("HCLOF"). Acis Capital Management GP, L.L.C. and Acis Capital Management L.P. (together, "Acis"), the portfolio manager for HCLOF, filed for chapter 11 in the United States Bankruptcy Court for the Northern District of Texas (the "Court") on January 30, 2018.").

⁸ See HarbourVest Response, Docket No. 1057, para. 40 ("HarbourVest has been injured from the Investment: not only has the Investment failed to accrue value, its value plummeted. The Investment's current value is far less than HarbourVest's initial contribution.").

speculative nature of the damages and the lack of specificity of the HarbourVest Claim and the role of Acis in the loss of value to HarbourVest all call into question the reliability of the allegations and the legal basis for the claim amount awarded in the settlement.

- 23. Also absent from Harbourvest's papers is any discussion of any contract or agreement between (i) HarbourVest and the Debtor; and (ii) any agreement that was executed in conjunction with HarbourVest's initial investment. While the proof of claim references a number of agreements, there is no explanation in the claim or in HarbourVest's response to the Debtor's claim objection of how these agreements give rise to liability against the *Debtor*. For example, neither the claim nor the HarbourVest Response (which includes more than 600 pages of attachments) attach any written agreement between HarbourVest and any other party. While HarbourVest has alleged a number of claims sounding in tort, many of those claims cannot exist absent a contract or other express relationship between the parties. Moreover, the terms of the relevant contracts themselves likely contain a number of provisions that may call into question Debtor's liability or would be otherwise relevant to merits of the HarbourVest Claim. For example, HarbourVest in its papers appears to assert or imply that the Debtor made a number of false or fraudulent representations to solicit HarbourVest's investment, but then fails to discuss or even identify the applicable agreements it alleges it was induced into signing in connection with its investment (this despite the substantial value of the investment when the Acis plan was confirmed).
- 24. Given these issues, among many others, the HarbourVest Claim is unsustainable both from a liability and damages standpoint and there are many very high hurdles HarbourVest would have to clear in seeking to prove liability against the Debtor and in proving its damages. For a long period of time, its investment was managed by Acis and the investment's performance was directly tied to Acis's inadequate performance as portfolio manager. Further, the value of

HarbourVest's investment is also directly tied to various market forces that may have impacted its value. The HarbourVest Claim is largely lacking in relevant facts and omits much salient information, such as who it contracted with in connection with its investment, the terms of such agreements, who controlled its investment during the entire period from November 2017 to the present, and the performance of its investment during the last two years. Given these issues, HarbourVest will be unable to demonstrate a causal connection between any conduct of the Debtor and the alleged damages it suffered from a reduction in value of its investment.

- 25. Because of the speculative nature of the HarbourVest Claim, and the fact that very little pleading or litigation has occurred, the proposed settlement in granting such a large claim is unreasonable, not fair and equitable, and not in the best interest of the estate. The lack of pending litigation, narrowing of threshold questions, and lack of detail in HarbourVest Claim make it impossible to determine whether the huge claim awarded under the proposed settlement is justified under the facts. Accordingly, the Motion should be denied.
 - C. The Proposed Settlement is an Improper Attempt by the Debtor to Purchase Votes in Support of its Plan and the Separate Classification of the HarbourVest Claim Constitutes Gerrymandering in Violation of 11 U.S.C. § 1122
- 26. The proposed settlement is a flagrant attempt by the Debtor to purchase votes in support of its Plan by giving HarbourVest a significant claim to which it has not shown itself entitled. Moreover, the separate classification of the HarbourVest Claim into two separate classes constitutes impermissible gerrymandering in violation of section 1122 of the Bankruptcy Code. The proposed settlement essentially gives HarbourVest a claim it is not entitled to in exchange for votes in two separate classes. This is not a proper basis for a settlement and the Court should deny the Motion.
 - 27. Section 1122 of the Bankruptcy Code provides as follows:

- (a) Except as provided in subsection (b) of this section, a plan may place a claim or an interest in a particular class only if such claim or interest is substantially similar to the other claims or interests of such class.
- (b) A plan may designate a separate class of claims consisting only of every unsecured claim that is less than or reduced to an amount that the court approves as reasonable and necessary for administrative convenience.

11 U.S.C. § 1122.

- 28. "Chapter 11 requires classification of claims against a debtor for two reasons. Each class of creditors will be treated in the debtor's plan of reorganization based upon the similarity of its members' priority status and other legal rights against the debtor's assets. Proper classification is essential to ensure that creditors with claims of similar priority against the debtor's assets are treated similarly." *In re Greystone III Joint Venture*, 995 F.2d 1274, 1277 (5th Cir. 1991).
- 29. "Section 1122 consequently must contemplate some limits on classification of claims of similar priority. A fair reading of both subsections suggests that ordinarily substantially similar claims, those which share common priority and rights against the debtor's estate, should be placed in the same class." *Id.* at 1278.
- 30. The Fifth Circuit has stated that there is "one clear rule that emerges from otherwise muddled caselaw on § 1122 claims classification: thou shalt not classify similar claims differently in order to gerrymander an affirmative vote on a reorganization plan." *Id.* at 1279. The Court observed:

There must be some limit on a debtor's power to classify creditors in such a manner.

... Unless there is some requirement of keeping similar claims together, nothing would stand in the way of a debtor seeking out a few impaired creditors (or even one such creditor) who will vote for the plan and placing them in their own class.

In re Greystone III Joint Venture, 995 F.2d 1274, 1279 (5th Cir. 1991) (quoting *In re U.S. Truck Co.*, 800 F.2d 581, 586 (6th Cir. 1986)).

31. Here, the HarbourVest settlement and the classification of the HarbourVest Claim under the Plan blatantly violate the Fifth Circuit's "one rule" concerning the classification of claims under section 1122. To the extent that HarbourVest even has a legitimate claim, not only should its claim be classified together with other unsecured creditors, its claim should be classified solely in one class. To allow the Debtor to do otherwise as proposed is improper gerrymandering in order to obtain a consenting class in express violation of section 1122.

D. There Are Other Reasons for the Court to Closely Scrutinize the Proposed Settlement that May Warrant Denial of the Motion

- 32. There are a number of other reasons for the Court to closely scrutinize the proposed settlement that may warrant denial of the Motion.
- 33. First, the granting to HarbourVest of a claim in the total amount of \$80 million potentially allows HarbourVest to achieve a significant windfall at the expense of other creditors and equity holders. The Debtor has asserted numerous times that the estate is solvent and, for this reason, the purported subordinated claim of \$35 million (if allowed and approved) may be worth just as much as its general unsecured claim. This is a huge figure in this case, outshined only by the Redeemer Committee, which has an actual arbitration award obtained after lengthy litigation. By contrast, the HarbourVest Claim contains only a few paragraphs of generalized allegations that essentially argue that the Debtor's alleged actions related to the Acis bankruptcy, and this Court's orders in the Acis case, are a "but for" cause of the loss of its investment. While the HarbourVest Response is lengthy, it lacks necessary details for the Court to determine whether HarbourVest may be entitled to the relief requested by the Motion. The other significant creditors in this case—inter alia, Redeemer, UBS and Acis—all had pending claims that were litigated. Nor is HarbourVest a trade creditor, vendor, or other contract counter-party of the Debtor. The HarbourVest Claim is thus uniquely situated in this case and, given the size and the nature of its

claims, should invite close scrutiny. Under these facts, the potential allowance of an \$80 million

claim (less the value of its share in HCLOF, which may suffer by continued management by Acis)

against the estate for an investment which was not held or managed by the Debtor would be a huge

undue windfall.

34. Second, the Motion states that HarbourVest will vote its proposed allowed Class 8

(proposed at \$45 million) and Class 9 (proposed at \$35 million) claims in support of confirmation.

There are at least two potential issues with this proposal. First, the deadline for parties to submit

ballots was January 5, 2021, and as of the close of business on January 5, the Harbour Vest Claim

has not been allowed for voting purposes. 9 Second, the Motion and proposed settlement agreement

state that the HarbourVest Claim will be allowed for voting purposes only as a general unsecured

claim in the amount of \$45 million. It is unclear how HarbourVest can, or would be authorized to,

vote its purported Class 8 and 9 Claims in support of the Plan after the voting deadline and when

the settlement provides only for a voting claim in Class 8.

35. Third, while the Motion addresses the factor of probability of success in the

litigation, it does not discuss in detail the cost of doing so in relation to the amount to be paid to

HarbourVest under the settlement or the likelihood that the Debtor will succeed in the litigation.

In addition, unlike the claims filed by Acis and UBS, the HarbourVest Claim does not arise from

pending litigation. At this point, relatively little litigation has occurred and the parties have not

addressed threshold issues that might dramatically narrow the scope of the HarbourVest Claim.

Rule 9019 requires an analysis as to whether the probability of success in litigation is outweighed

by the consideration achieved under the settlement. See In re Jackson Brewing Co., 624 F.2d 599,

602 (5th Cir. 1980) (The Court must "compare the terms of the compromise with the likely rewards

⁹ The hearing on the 3018 and 9019 motions are set concurrently with confirmation.

of litigation."). Given the excessive amount to be paid under the settlement and the weakness of

the HarbourVest Claim, this factor weighs in favor of denial of the Motion.

36. Fourth, it is unclear from the settlement papers whether the transfer by HarbourVest

of its interest in HCLOF to the Debtor or an entity the Debtor designates will cause the value of

the investment to be received by the Debtor's estate. Further, the interest of HCLOF being

conveyed under the proposed settlement may be subject to the Acis plan injunction, which could

potentially prevent the Debtor's estate from realizing the value of this interest. In the event the

Court is inclined to approve the settlement, the order should make clear that the available value of

the investment should be realized by the Debtor's estate.

CONCLUSION

For the reasons set forth above, Respondent respectfully requests that the Court enter an

order denying the Motion and providing Respondent such other and further relief to which he may

be justly entitled.

UNITED STATES BANKRUPTCY COURT FOR THE NORTHERN DISTRICT OF TEXAS DALLAS DIVISION

IN RE: * Chapter 11

*

* Case No. 19-34054sgj11

HIGHLAND CAPITAL MANAGEMENT, L.P.

*

Debtor *

OBJECTION TO DEBTOR'S MOTION FOR ENTRY OF AN ORDER APPROVING SETTLEMENT WITH HARBOURVEST (CLAIM NOS. 143, 147, 149, 150, 153, 154) AND AUTHORIZING ACTIONS CONSISTENT THEREWITH

The Dugaboy Investment Trust and Get Good Trust (jointly, "Objectors"), submit this Objection for the purpose of objecting to the *Debtor's Motion for Entry of an Order Approving Settlement with HarbourVest (Claim Nos. 143, 147, 149, 150, 153, 154) and Authorizing Actions Consistent Therewith* [Dkt. #1625] (the "Motion") filed by Highland Capital Management, L.P. (the "Debtor"). Through the Motion, the Debtor seeks approval of its compromise with HarbourVest 2017 Global Fund L.P., HarbourVest 2017 Global AIF L.P., HarbourVest Dover Street IX Investment L.P., HV International VIII Secondary L.P., HarbourVest Skew Base AIF L.P., and HarbourVest Partners L.P. (collectively, "HarbourVest") pursuant to Rule 9019 of the

Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"). In support of this objection, Objectors respectfully represent as follows:

I. INTRODUCTION

1. Objectors recognize that Courts favorably view settlements and, as a matter of course, generally approve settlements as being in the best interest of the bankruptcy estate. The settlement proposed herein, however, is different than other settlements inasmuch as it represents a 180 degree departure from the Debtor's own analysis of the Claim of HarbourVest and the fact that the settlement is tied to HarbourVest approving the Debtor's plan. Little or no information is provided by the Debtor as to why its initial analysis was flawed and what information or legal principal it discovered to change a zero claim into a massive claim that will have a significant impact on the recovery to creditors.

II. BACKGROUND

- 2. On October 16, 2019 (the "Petition Date"), the Debtor filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") in the U.S. Bankruptcy Court for the District of Delaware, Case No. 19-12239 (CSS) (the "Delaware Court").
- 3. On October 29, 2019, the Official Committee of Unsecured Creditors (the "Committee") was appointed by the U.S. Trustee in Delaware.
 - 4. On December 4, 2019, the venue of this case was transferred. [Dkt. #186].
- 5. On July 16, 2020, this Court entered an order authorizing the Debtor to employ James P. Seery, Jr. as Chief Executive Officer and Chief Restructuring Officer of the Debtor. [See Dkt. #854].

- 6. On April 8, 2020, HarbourVest filed Proofs of Claim Numbers 143, 149, 149, 150, 153, and 154 (collectively, the "HarbourVest Claim")¹.
- 7. On July 30, 2020, the Debtor filed *Debtor's First Omnibus Objection to Certain*(A) Duplicate Claims; (B) Overstated Claims; (C) Late-Filed Claims; (D) Satisfied Claims;
 (E) No Liability Claims; and (F) Insufficient-Documentation Claims [Dkt. #906] (the "Debtor Objection"), which contained an objection to the HarbourVest Claim.
- 8. On September 11, 2020, HarbourVest filed *HarbourVest Response to Debtor's*First Omnibus Objection to Certain (A) Duplicate Claims; (B) Overstated Claims; (C) Late
 Filed Claims; (D) Satisfied Claims; (E) No Liability Claims; and (F) Insufficient
 Documentation Claims [Dkt. #1057] (the "HarbourVest Response").
- 9. The Debtor, in its *Disclosure Statement for the Fifth Amended Plan of Reorganization of Highland Capital Management, L.P.* [Dkt. #1473 pgs. 40-41], described its position relative to the HarbourVest Claim as follows:

The Debtor intends to **vigorously** defend the HarbourVest Claims on various grounds The HarbourVest Entities invested approximately \$80,000,000.00 in HCLOF but seek an allowed claim in excess of 300 million dollars (after giving effect to treble damages for the alleged RICO violations)

- 10. On December 23, 2020, the Debtor filed the Motion seeking approval of a proposed settlement of the HarbourVest Claim under Rule 9019. [Dkt. # 1625].
 - 11. The proposed settlement provides HarbourVest with the following:
 - a. An allowed, general unsecured claim in the amount of \$45,000,000.00 [Dkt. #1625 pg. 9 pp.f]; and

¹ While HarbourVest has filed a number of claims, each filed claim is exactly the same except in the name of the claimant. See Claim Nos. 143, 147, 149, 150, 153, and 154.

- b. A \$35,000,000 claim in Class 9 [Dkt. #1625 pg. 9 pp.f].
- 12. An integral element of the settlement requires that HarbourVest will "support confirmation of the Debtor's Plan including, but not limited to, voting its claims in support of the Plan."
- 13. The settlement also contains a provision that HarbourVest will transfer its entire interest in HCLOF to an entity to be designated by the Debtor. It is unclear whether HarbourVest has a right to transfer the interest and secondly, what the Debtor will do with the interest [Dkt. #1625 pp.f].
- 14. The sole support for the Motion is the Declaration of John Morris [Dkt. #1631] which fails to account for the enormous change in the Debtor's position between November 24, 2020 when the Disclosure Statement was approved and December 23, 2020 when the Motion was filed, a period of less than thirty (30) days.
- 15. The Declaration of John Morris [Dkt. #1631] also contains no information as to the potential cost of the litigation, whether HarbourVest can transfer the interest or reasons, other than conclusory reasons, as to why the settlement is beneficial to the estate. The Debtor makes the assertion that the interest it is acquiring was worth \$22,000,000.00 as of December 1, 2020 without advising as to the basis for the valuation. Is it a book value and, if not, what was the methodology employed to arrive at the valuation? The Court has no basis to evaluate the settlement without essential information as to 1) how the asset being acquired is valued; 2) can the Debtor acquire the interest; and 3) how will the Debtor bring value to the estate in connection with the interest inasmuch as the Debtor has discretion as to where to place the asset to be acquired.

A. LEGAL STANDARDS

- 16. The law relative to approval of motions pursuant to BR 9019 is well settled. The settlement must be fair and equitable. *See In re Jackson Brewing Co.*, 624 F.2d 599, 602 (5th Cir. 1980). The factors the Court should consider are the following:
 - (i) the probabilities of ultimate success should the claim be litigated;
 - (ii) the complexity, expense, and likely duration of litigating the claim;
 - (iii) the difficulties of collecting a judgment rendered from such litigation; and,
 - (iv) all other factors relevant to a full and fair assessment of the wisdom of the compromise.

Protective Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson, 390 U.S. 414 (1968).

17. Although the Debtor's business judgment is entitled to a certain deference, "business judgment" is not alone determinative of the issue of court approval. *See In re Endoscopy Ctr. of S. Nev., LLC*, 451 B.R. 527, 536 (Bankr. D. Nev. 2011). However, notwithstanding the business judgment rule, a debtor does not have unfettered freedom to do what it wishes. *See In re Pilgrim's Pride Corp.*, 403 B.R. 413, 426 (Bankr. N.D. Tex. 2009) ("[A]s a fiduciary holding its estate in trust and responsible to the court, a debtor in possession must administer its case and conduct its business in a fashion amenable to the scrutiny to be expected from creditor and court oversight.").

B. ISSUES WITH THE SETTLEMENT

- 18. Objectors believe that the following issues are not explained or addressed in the Motion and, thus, the Motion should be denied:
 - a) The settlement represents a radical change in the Debtor's position that was set forth in its Disclosure Statement. While the Debtor asserts that its position is

based on its fear of parties' oral testimony, the size of the transactions at issue

make the case a document case, as opposed to who said what, when and how. A

review of the applicable documents to determine whether they support the

Debtor's initial position is warranted, as opposed to stating that the case is based

upon the credibility of a witness. This settlement is not the settlement of an

automobile accident where the parties are disputing who ran a red light;

b) The settlement requires HarbourVest to support and vote in favor of the Debtor's

Plan. On its face this appears to be vote buying. The settlement should not be

conditioned upon HarbourVest's support or non-support of the Plan and its vote in

favor or against the Plan; and

c) No information is provided as to whether the Debtor can acquire the interest in

HCLOF, liquidate the interest, who will receive the interest, or how will the estate

benefit from the interest to be acquired.

CONCLUSION

The settlement with HarbourVest has too many questions to be approved on the record

before this Court and the parties, due to the Notice of the Motion, the holidays and the press of

other litigation in this case, do not have the time to adequately investigate the propriety of the

settlement.

IN THE UNITED STATES BANKRUPTCY COURT FOR THE NORTHERN DISTRICT OF TEXAS DALLAS DIVISION

CLO HOLDCO, LTD.'S OBJECTION TO HARBOURVEST SETTLEMENT

TO THE HONORABLE STACEY G. JERNIGAN, U.S. BANKRUPTCY JUDGE:

CLO Holdco, Ltd. ("CLO Holdco") respectfully files this Objection to Harbourvest Settlement (the "Harbourvest Settlement Objection") which seeks entry of an order from this Court denying the Debtor's Motion for Entry of an Order Approving Settlement with Harbourvest (Claims Nos. 143, 147, 149, 150, 153, 154) and Authorizing Actions Consistent Therewith (the "Harbourvest Settlement Motion") for the reasons stated below. In support of the Harbourvest Settlement Objection, CLO Holdco respectfully states as follows:

I. BACKGROUND

A. TRANSFERRING SHARES IN HCLOF

1. CLO Holdco owns 75,061,630.55 shares, or about 49.02% of Highland CLO Funding, Ltd. ("HCLOF"). Other shareholders include Harbourvest 2017 Global AIF L.P., Harbourvest Global Fund L.P., Harbourvest Dover Street IX Investment L.P., and Harbourvest Skew Base AIF L.P., and HV International VIII Secondary L.P. (collectively, "Harbourvest").

Harbourvest owns approximately 49.98% of HCLOF. The remaining 1% is owned by the Debtor

and a five other investors.

2. HCLOF is governed by a *Members Agreement Relating to the Company* dated November 15, 2017 by and between each of the members of HCLOF, including Harbourvest, the Debtor, and CLO Holdco (the "**Member Agreement**"). A copy of that agreement is attached hereto as

Exhibit A.

3. Section 6 of the Member Agreement addresses the "Transfer or Disposals of Shares." MEMBER AGREEMENT, § 6. The Member Agreement places strict restrictions on the sale or transfer of shares to entities other than the initial Member's own affiliates. *See id.* at §§ 6.1, 6.2. Before a Member can transfer its interests to a party other than its own affiliates it must: (i) obtain the prior written consent of the Portfolio Manager; and (ii) "offer to the other Members a right to purchase the Shares, on a pro rata basis with respect to their current Shares, at the same price (which must be cash) as such Shares are proposed to be purchased by the prospective third party purchaser pursuant to an irrevocable offer letter" (the "Right of First Refusal"). *Id.* As further stated in section 6.2 of the Member Agreement, "The other Members will have 30 days following receipt of the letter to determine whether to purchase their entire pro rata portion of the Shares proposed to be Transferred." *Id.* at § 6.2.

B. THE HARBOURVEST SETTLEMENT

4. On December 23, 2020, the Debtor filed the Harbourvest Settlement Motion. On the following day, the Debtor filed a copy of the Settlement Agreement referenced in the

Harbourvest Settlement Motion (the "Settlement Agreement") [Dkt. No. 3]. In the Settlement Agreement, Harbourvest represents and warrants that it is authorized to transfer its interest in HCLOF to the Transferee, HCMLP Investments, LLC (the "Transferee"). SETTLEMENT AGREEMENT, Ex. A. § 3. Further, the Transferee and Debtor agree to be bound by the terms and conditions of the Member Agreement. *Id.* at § 1.c.

- 5. In exchange for conveniently classified allowed claims under the Debtor's Fifth Amended Plan of Reorganization of Highland Capital Management, L.P. (the "Plan") [Dkt. No. 1472], Harbourvest agrees to vote in favor of the Plan and to transfer all of its interests in HCLOF to the Transferee. SETTLEMENT AGREEMENT, § 1.
- 6. As detailed below, CLO Holdco objects to the Harbourvest Settlement Motion because Harbourvest has no authority to transfer its interests in HCLOF without first complying with the Right of First Refusal. The only way to effectuate such a transfer without first providing other members the Right of First Refusal is an intentionally inaccurate interpretation of the Member Agreement's contractual provisions that would render specific passages redundant and meaningless. More simply put, the only way Harbourvest and the Debtor could effectuate the Settlement Agreement is by violating fundamental tenets of contract interpretation.

II. ARGUMENTS AND AUTHORITIES

A. CONTRACT INTERPRETATION – AVOIDING REDUNDANCIES AND SURPLUS LANGUAGE

7. The Fifth Circuit recognizes fundamental tenets of contract interpretation, and notes that "contracts should be read as a whole, viewing particular language in the context in which it appears. Woolley v. Clifford Chance Rogers & Wells, L.L.P., 51 F. App'x 930 (5th Cir. 2002) (citing Restatement (Second) of Contracts § 202 (1981)). The Fifth Circuit has applied substantially the same tenets of contract interpretation across the laws of various jurisdictions, and consistently reasons that "[a]ll parts of the agreement are to be reconciled, if possible, in order to avoid an

inconsistency. A specific provision will not be set aside in favor of a catch-all clause." *Broad v.* Rockwell Int'l Corp., 642 F.2d 929, 947 (5th Cir. 1981) (internal citations omitted); and see Hawthorne Land Co. v. Equilon Pipeline Co., LLC, 309 F.3d 888, 892–93 (5th Cir. 2002); Luv N' Care, Ltd. v. Groupo Rimar, 844 F.3d 442, 447 (5th Cir. 2016); Wooley, 51 F.Appx. at 930.

8. Reconciliation of terms that would otherwise render other parts of a contract redundant is fundamental to proper contract interpretation. *Hawthorne Land*, 309 F.3d at 892-93. As the Firth Circuit explained in *Hawthorne Land*, "each provision of a contract must be read in light of the other provisions so that each is given the meaning suggested by the contract as a whole. A contract should be interpreted so as to avoid neutralizing or ignoring a provision or treating it as surplusage." *Id.* (internal citations and quotations omitted). In other words, provisions of a contract should be read to create harmony, not internal inconsistencies, redundancies, and unnecessary surplus language. *See, e.g., Law N' Care*, 844 F.3d at 447 (overturning district court on appeal by interpreting contract in manner that eliminated perceived redundancy).

B. ANALYZING THE MEMBER AGREEMENT

9. Section 6.1 of the Member Agreement will almost certainly be cited by the Debtor and Harbourvest as authority for their entry into the Settlement Agreement, regardless of whether other Members or the Portfolio Manager consent. It states, in pertinent part, that:

No Member shall sell, pledge, charge, mortgage, assign, assign by way of security, transfer, convey, exchange or otherwise dispose of its Shares or its commitment to settle purchases of Shares under the Subscription and Transfer Agreement (each a "Transfer"), other than to an Affiliate of an initial Member party hereto, without the prior written consent of the Portfolio Manager...

MEMBER AGREEMENT, § 6.1. Harbourvest will likely stress that under the terms of the Member Agreement, it can transfer its interests so long as the transfer is to "an Affiliate of an initial Member." Indeed, the Debtor will no doubt point out to this Court that Harbourvest is

conveniently transferring its interests in HCLOF to an Affiliate of the Debtor, and that the Debtor

is an initial Member listed in the Member Agreement.

10. Section 6.1, however, must be read in the context of the Member Agreement, and in

conjunction with the transfer restrictions found in section 6.2. Read together it is clear that the

consent exception allowing a transfer in 6.1 was intended to allow a Member to transfer its shares to

its own Affiliate, without required consents and effectuating a Right of First Refusal. Doing so

would allow inter-company transfers within a corporate structure without the need for complicated

procedures. Applying Fifth Circuit precedent, this interpretation fits squarely within the agreement

and gives weight to the terms of section 6.2 of the Member Agreement, as explained below.

(i) Surplusage - Specific Allowance of Transfers by CLO Holdco to Debtor

Affiliates

11. Recall that both CLO Holdco and the Debtor are initial Members to the Member

Agreement. MEMBER AGREEMENT, p. 3. Section 6.2 of the Member Agreement states, in pertinent

part, that "Prior to making any Transfer of Shares (other than Transfers to Affiliates of an initial

Member or, in the case of CLO Holdco or a Highland Principal, to Highland, its Affiliates or another Highland

Principal) a Member must first..." comply with the Right of First Refusal. Id. at § 6.2 (emphasis

added). The italicized language above is important for two reasons: (i) it specifically enumerates that

CLO Holdco can transfer its interests to Debtor Affiliates without having to pursue the Right of

First Refusal; and (ii) it allows only limited transfers between Members, as opposed to between a

Member and an Affiliate of an initial Member.

12. If, as the Debtor and Harbourvest will likely argue, Members are allowed to transfer

their interests to any Affiliates of any other initial Members, there is absolutely no need for the

Member Agreement to specifically authorize CLO Holdco to transfer its interests to the Debtor's

Affiliates. Per Fifth Circuit fundamentals of contract interpretation, that purported redundancy

should <u>not</u> be discarded as mere surplusage, and the Member Agreement should be interpreted in a

manner that gives weight to that provision. Hawthorne Land, 309 F.3d at 892-93.

13. If the Member Agreement is read to literally allow all "Transfers to Affiliates of an

initial Member" there would be no reason to expressly set forth allowed transfers between specific

Members and other Member's Affiliates. If the Member Agreement sought to list all allowed

transfers between Members and their Affiliates, it should have similarly noted that any Member

could transfer its interest to any Harbourvest Member entity, as each Harbourvest Member entity is

an Affiliate of the other Harbourvest Member entities. Alternatively, if the specific enumeration of

CLO Holdco and the Highland Principals' transfer rights was surplusage, it would presumably have

listed other parties' rights, or had inclusive language such as "including but not limited to" or "for

example." The Member Agreement lacks such language and, as a result, should be interpreted in a

manner that both gives weight to the specific provision while reconciling other provisions of the

contract.

(ii) Absurd Results – Disparate Transfer Rights Between Members

14. Note that the Member Agreement does not generally allow a transfer of interests

from Member to Member unless specifically enumerated. Section 6.2 specifically allows only CLO

Holdco and the Highland Principals to make transfers to other Members, but those other Members

include only the Debtor or another Highland Principal. MEMBER AGREEMENT, § 6.2. It does not

allow the Debtor to transfer interests to any Member, and does not expressly allow any Member,

other than limited transfers by CLO Holdco and the Highland Principals, to transfer interests to any

other Member. Id. For instance, if the Debtor wished to transfer its interests to CLO Holdco, it

would first have to offer <u>all</u> of the other Members their Right of First Refusal. <u>Id</u>.

15. Similarly, if Harbourvest wished to transfer its interest to CLO Holdco, it could not

do so without first providing the Right of First Refusal to all other Members. Id. As noted above,

however, allowing a Member to transfer its interest to an Affiliate of any initial Member would allow

<u>all</u> of the Members to transfer their interests to any Harbourvest Member entity, as the Harbourvest

Members are Affiliates of each other. Given the specific enumeration of CLO Holdco and the

Highland Principals' rights to inter-Member transfers, it would be inconsistent to expand that

specific provision to allow all transfers by all Members to any Harbourvest entity without first

providing a Right of First Refusal.

16. Such a reading would lead to absurd results. It would grant similarly situated

Members profoundly disparate rights under the agreement, and could easily lead to manipulation.

For instance, because the Harbourvest Members are technically Affiliates of an initial Member (each

other), they could obtain control of all of the interests in HCLOF without any Member receiving a

Right of First Refusal for any transfer. No other Member could do that. For instance, if CLO

Holdco wished to acquire other Members' interests, the transferring member (including

Harbourvest) would have to offer a Right of First Refusal in every instance. To resolve that potential

disparate treatment—though CLO Holdco and Harbourvest own nearly identical ownership

interests in HCLOF—CLO Holdco would have to form an Affiliate and acquire interests through

the Affiliate. That simply *cannot* be the intended result of the Member Agreement.

17. Instead, the Member Agreement must be read to require Harbourvest to provide a

Right of First Refusal to the other Members of HCLOF before transferring its interests to either the

Debtor or the Transferee.

C. THE RIGHT OF FIRST REFUSAL IN BANKRUPTCY

18. Most cases addressing third party rights of first refusal in bankruptcy involve the

assignment of leases and landlords' rights of first refusal. In those cases, courts analyze whether

such a provision in the <u>debtor's</u> contract is a defacto restriction on assignment that may be excised

from the agreement. This case is very different. Here, it is a creditor that owes a right of first refusal to another non-debtor entity.

19. Even so, at least one court has issued telling commentary on a bankruptcy court's ability to excise provisions of a bargained-for contract, stating "A bankruptcy court's authority to excise a bargained for element of a contract is questionable and modification of a nondebtor contracting party's rights is not to be taken lightly." *In re E-Z Serve Convenience Stores, Inc.*, 289 B.R. 45, 51-52 (Bankr. M.D.N.C. 2003) (citing *In re Joshua Slocum Ltd.*, 922 F.2d 1081, 1091 (3d Cir. 1991)). CLO Holdco was unable to find any case that would allow a bankruptcy court to invalidate or otherwise excise a third party's right of first refusal in what largely amounts to a non-debtor contract.

20. As the Member Agreement requires Harbourvest to provide a Right of First Refusal to the non-Debtor Members under section 6.2 of the Agreement, and such Members have 30 days to review and determine whether to purchase their pro-rata shares offered by Harbourvest, Harbourvest lacks contractual authority to enter into the Settlement Agreement.

D. HARBOURVEST'S LACK OF AUTHORITY PRECLUDES ENFORCEMENT OF SETTLEMENT

21. Harbourvest has not completed its conditions precedent to the transfer of its interest to Transferee under the Member Agreement. As detailed above, and in section 6.2 of the Agreement, Harbourvest must effectuate the Right of First Refusal before it can transfer its interests in HCLOF. MEMBER AGREEMENT, § 6.2. Harbourvest is, in essence, bound by the condition precedent of effectuating the Right of First Refusal before it is authorized under the Member Agreement to enter into the Settlement Agreement.

22. Courts should not enforce a settlement agreement where a party has a condition precedent to entry into the agreement and fails to satisfy that condition. *In re De La Fuente*, 409 B.R. 842, 846 (Bankr. S.D. Tex. 2009). As noted in part in *De La Fuente*, the court would not recognize

or enforce a settlement where the parties were subject to conditions precedent before the settlement could be effective, and the conditions precedent were not satisfied. This Court should similarly deny Harbourvest's proposed settlement, as it would deny the Members' Right of First Refusal, which is the benefit of their bargain under the Member Agreement.

III. PRAYER FOR RELIEF

WHEREFORE, CLO Holdco requests that this Court grant the Objection and enter an order denying the Harbourvest Settlement Motion.

Counsel for the Debtor and Debtor-in-Possession

IN THE UNITED STATES BANKRUPTCY COURT FOR THE NORTHERN DISTRICT OF TEXAS DALLAS DIVISION

In re:) Chapter 11
HIGHLAND CAPITAL MANAGEMENT, L.P.,1) Case No. 19-34054-sgj11
Debtor.) Re: Docket Nos. 1625, 1697, 1706, 1707

DEBTOR'S OMNIBUS REPLY IN SUPPORT OF DEBTOR'S MOTION FOR ENTRY OF AN ORDER APPROVING SETTLEMENT WITH HARBOURVEST (CLAIM NOS. 143, 147, 149, 150, 153, 154), AND AUTHORIZING ACTIONS CONSISTENT THEREWITH

¹ The Debtor's last four digits of its taxpayer identification number are (6725). The headquarters and service address for the above-captioned Debtor is 300 Crescent Court, Suite 700, Dallas, TX 75201.

The above-captioned debtor and debtor-in-possession (the "<u>Debtor</u>") hereby submits this reply (the "<u>Reply</u>") in support of its *Motion for Entry of an Order Approving Settlement with HarbourVest (Claim No.143,147, 149, 150, 153, 154), and Authorizing Actions Consistent Therewith* [Docket No. 1625] (the "<u>Motion</u>").² In further support of the Motion, the Debtor respectfully states as follows:

PRELIMINARY STATEMENT

- 1. If granted, the Motion will resolve a \$300 million general unsecured claim against the Debtor's estate for less than \$16.8 million in actual value.³ The settlement is another solid achievement for the Debtor and not surprisingly is opposed by no one except Mr. Dondero and entities affiliated with him.
- 2. As discussed in the Motion, in November 2017, HarbourVest invested \$80 million in exchange for a 49.98% membership interest in HCLOF an entity managed by a subsidiary of the Debtor. The balance of HCLOF's interests are held by CLO Holdco, Ltd. (an entity affiliated with Mr. Dondero), the Debtor, and certain of the Debtor's employees. Subsequent to its investment in HCLOF, HarbourVest incurred substantial losses on its investment in HCLOF and filed claims against the Debtor's estate.
- 3. HarbourVest asserts claims for fraud, fraudulent inducement, fraudulent concealment, fraudulent misrepresentation, negligent misrepresentation, breach of fiduciary duty

² All capitalized terms used but not defined herein have the meanings given to them in the Motion.

³ Under the proposed settlement, HarbourVest would receive an allowed, general unsecured claim of \$45 million and an allowed, subordinated claim of \$35 million. Based on the estimated recovery for general unsecured creditors of 87.44% (which is a recovery based on certain outdated assumptions discussed *infra*), HarbourVest's \$45 million general unsecured claim is estimated to be worth approximately \$39.3 million and the \$35 million subordinated claim, which is junior to the general unsecured claim, is currently estimated to have value only if there are litigation recoveries. In addition, HarbourVest is transferring to an affiliate of the Debtor its interest in HCLOF, which is estimated to be worth approximately \$22.5 million. Thus, HarbourVest's estimated recovery on its general unsecured and subordinated claims is estimated at approximately \$16.8 million on a net economic basis. This estimate, however, is dated and is based on the claims that were settled as of the filing of the Debtor's plan in November 2020.

and unfair prejudice (under Guernsey law), violations of state securities laws, and RICO. In furtherance of these claims, HarbourVest alleges it was misled by the Debtor and its employees, including Mr. Scott Ellington (then the Debtor's general counsel), and that subsequent to investing in HCLOF, Mr. Dondero and the Debtor used HCLOF both as a piggybank to fund the litigation against Acis Capital Management, L.P. ("Acis") and as a scapegoat for the Debtor's litigation strategy, in each case to HarbourVest's substantial detriment.

- 4. Specifically, HarbourVest alleges that:
- the Debtor and its employees, including Mr. Ellington, misled HarbourVest about its intentions with respect to Mr. Terry's arbitration award against Acis and orchestrated a series of fraudulent transfers and corporate restructurings, the true purpose of which was to denude Acis of assets and make it judgment proof;
- the Debtor and its employees, including Mr. Ellington, misled HarbourVest as to the intent and true purpose of these restructurings and led HarbourVest to believe that Mr. Terry's claims against Acis were meritless and a simple employment dispute that would not affect HarbourVest's investment;
- the Debtor, through Mr. Dondero, improperly exercised control over or misled HCLOF's Guernsey-based board of directors to cause HCLOF to engage in unnecessary, unwarranted, and resource-draining litigation against Acis;
- the Debtor improperly caused HCLOF to pay substantial legal fees of various entities in the Acis bankruptcy that were unwarranted, imprudent, and not properly chargeable to HCLOF; and
- the Debtor used HarbourVest as a scapegoat in its litigation against Acis by asserting that the Debtor's improper conduct and scorched-earth litigation strategy was at HarbourVest's request, which was untrue.
- 5. The Debtor believed, and continues to believe, that it has viable defenses to HarbourVest's claims. Nevertheless, those defenses would be subject to substantial factual disputes and would require expensive and time-consuming litigation that would likely be resolved only after a lengthy trial all while the Debtor (or its successor) assumes the risk that the defenses might fail. The evidence will show that the proposed settlement is the product of substantial, arm's length and sometimes quite heated negotiations between and among the

principals and their counsel. The evidence will also show that one of HarbourVest's primary concerns in settling its claim was that part of that settlement would include the extrication of HarbourVest from the Highland web of entities and the related litigation. The proposed settlement accomplishes that and does so in compliance with HCLOF's governing agreements.

- 6. Pursuant to the proposed settlement, (a) HarbourVest will receive (i) an allowed, general unsecured claim in the amount of \$45 million, and (ii) an allowed, subordinated claim in the amount of \$35 million; (b) HarbourVest will transfer its 49.98% interest in HCLOF (valued at approximately \$22.5 million) to a wholly-owned subsidiary of the Debtor; and (c) the parties will exchange mutual and general releases. The Debtor believes that the proposed settlement is reasonable and results from the valid and proper exercise of its business judgment. And the Debtor's creditors apparently agree. None of the major parties-in-interest or creditors in this case has objected to the Motion: not the Committee, the Redeemer Committee, Acis, Patrick Daugherty, or UBS.
- 7. In distinction, the only objecting parties are Mr. Dondero, his family trusts (the Dugaboy Investment Trust ("<u>Dugaboy</u>") and Get Good Trust ("<u>Get Good</u>," and together with Dugaboy, the "<u>Trusts</u>")), and CLO Holdco (a wholly-owned subsidiary of Mr. Dondero's Charitable Donor Advised Fund, L.P. (the "<u>DAF</u>")) (collectively, the "<u>Objectors</u>"). Each of the Objectors has only the most tenuous economic interest in and connection to the Debtor's settlement with HarbourVest. Each of the Objectors is also controlled directly or indirectly by Mr. Dondero who has coordinated each of the Objectors litigation strategies against the Debtor.⁴ Mr. Dondero's efforts to litigate every issue in this case directly and by proxy should be rebuffed, and the objections overruled. The following is a brief summary of the objections.

⁴ See Debtor's Amended Witness and Exhibit List with Respect to Evidentiary Hearing to be Held on January 8, 2021 [Adv. Pro. 20-3190-sgj, Docket No. 46], Exhibit Q.

8. These objections are just the latest objections filed by Mr. Dondero and his related entities to any attempt by the Debtor to resolve this case, ⁵ including the Debtor's settlement with Acis [Docket No. 1087] and the seven separate objections filed by Mr. Dondero and his related entities to the *Fifth Amended Plan of Reorganization of Highland Capital Management, L.P.* [Docket No. 1472] (the "Plan"). ⁶ It will not shock this Court to hear that each of the Objectors is also objecting to the Plan. In contradistinction, the Debtor has heard this Court's admonishments about old Highland's culture of litigation as evidenced by this case, Acis's bankruptcy, and beyond. Although the Debtor has vigorously contested claims when appropriate, the Debtor has also sought to settle claims and limit the senseless fighting. The Debtor has successfully resolved the largest claims against the estate, including the claims of the Redeemer Committee, Acis, and, as recently announced to this Court, UBS. The Debtor would ask this Court to see through the pretense of the Dondero-related entities' objections to the HarbourVest settlement and approve it as a valid exercise of the Debtor's business judgment.

⁵ As an example of Mr. Dondero's litigiousness, on January 12, 2021, Mr. Dondero filed notice that he will be appealing the preliminary injunction entered against him earlier on January 12, 2021.

REPLY

A. Standing

- 9. **James Dondero.** In the Dondero Objection, Mr. Dondero asserts he is a "creditor, indirect equity security holder, and party in interest" in the Debtor's bankruptcy. While that claim is ostensibly true, it is tenuous at best. On April 8, 2020, Mr. Dondero filed three unliquidated, contingent claims that he promised to update "in the next ninety days." More than nine months later, Mr. Dondero has yet to "update" those claims to assert an actual claim against the Debtor's estate.
- 10. Mr. Dondero's claim as an "indirect equity security holder" is also a stretch. Mr. Dondero holds no direct equity interest in the Debtor. Mr. Dondero instead owns 100% of Strand Advisors, Inc. ("Strand"), the Debtor's general partner. Strand, however, holds only 0.25% of the total limited partnership interests in the Debtor through its ownership of Class A limited partnership interests. The Class A limited partnership interests are junior in priority of distribution to the Debtor's Class B and Class C limited partnership interests. The Class A interests are also junior to all other claims filed against the Debtor. Finally, Mr. Dondero's recovery on his indirect equity interest is junior to any claims against Strand itself. Consequently, before Mr. Dondero can recover on his "indirect" equity interest, the Debtor's estate must be solvent, priority distributions to Class B and Class C creditors must be satisfied, and all claims against Strand must be satisfied.
- 11. **Dugaboy and Get Good.** Dugaboy and Get Good are sham Dondero "trusts" with only the most attenuated standing. Dugaboy has filed three proofs of claim [Claim Nos. 113; 131; 177]. In two of these claims, Dugaboy argues that (1) the Debtor is liable to Dugaboy

⁷ Mr. Dondero filed two other proofs of claim that he has since withdrawn with prejudice. *See* Docket No. 1460.

⁸ Without knowing the nature of the "updates," the Debtor does not concede that any "updates" would have been procedurally proper and reserves the right to object to any proposed amendment to Mr. Dondero's claims.

for its postpetition mismanagement of the Highland Multi Strategy Credit Fund, L.P., and (2) this Court should pierce the corporate veil and allow Dugaboy to sue the Debtor for a claim it ostensibly has against the Highland Select Equity Master Fund, L.P. – a Debtor-managed investment vehicle. The Debtor believes that each of the foregoing claims is frivolous and has objected to them. [Docket No. 906].

- 12. In its third claim, Dugaboy asserts a claim against the Debtor arising from its Class A limited partnership interest in the Debtor (which represents just 0.1866% of the total limited partnership interests in the Debtor). Similarly, Get Good filed three proofs of claim [Claim Nos. 120; 128; 129] arising from its prior ownership of limited partnership interests in the Debtor. Because each these claims arises from an equity interest, the Debtor will seek to subordinate them under 11 U.S.C. § 510 at the appropriate time. As set forth above, these interests are out of the money and are not expected to receive any economic recovery.
- 13. Consequently, Mr. Dondero, Dugaboy, and Get Good's standing to object to the HarbourVest settlement is attenuated and their chances of recovery in this case are extremely speculative at best. *See In re Kutner*, 3 B.R. 422, 425 (Bankr. N.D. Tex. 1980) (finding that a party had standing only when it had a "pecuniary interest . . . directly affected by the bankruptcy proceeding"); *see also In re Flintkote Co.*, 486 B.R. 99, 114-15 (Bankr. D. Del. 2012), *aff'd.* 526 B.R. 515 (D. Del. 2014) (a claim that is speculative cannot confer party in interest standing). Mr. Dondero, Dugaboy, and Get Good's minimal interest in the estate should not allow them to overrule the estate's business judgment or veto settlements with creditors, especially when no actual creditors and constituents have objected. "[A] bankruptcy judge must not blindly follow the hue and cry of the most vocal special interest groups; rather, [the judge] should consider all salient factors . . . and . . . act to further the diverse interests of the debtor, creditors and equity

holders, alike." *In re Lionel*, 722 F.2d 1063, 1071 (2d Cir. 1983).

B. Mr. Dondero's Objection and his "Trusts" Objection Are Without Merit

- 14. As discussed in the Motion, under applicable Fifth Circuit precedent, a bankruptcy court may approve a compromise or settlement as long as the proposed settlement is fair, reasonable, and in the best interest of the estate. *See, e.g., In re Age Ref. Inc.*, 801 F.3d 530, 540 (5th Cir. 2015). In making this determination, courts look to the following factors:
 - probability of success in the litigation, with due consideration for the uncertainty of law and fact;
 - complexity and likely duration of the litigation and any attendant expense, inconvenience and delay; and
 - all other factors bearing on the wisdom of the compromise, including (i) "the paramount interest of creditors with proper deference to their reasonable views" and (ii) whether the settlement is the product of arm's length bargaining and not of fraud or collusion.

Official Comm. of Unsecured Creditors v. Cajun Elec. Power Coop. (In re Cajun Elec. Power Coop.), 119 F.3d 349, 356 (5th Cir. 1997) (citations omitted). See also Age Ref. Inc., 801 F.3d at 540; Conn. Gen. Life Ins. Co. v. United Cos. Fin. Corp. (In re Foster Mortgage Corp.), 68 F.3d 914, 918 (5th Cir. 1995).

- 15. The Settlement Seeks to Revisit the Acis Orders. In the Dondero Objection, Mr. Dondero argues that HarbourVest's claim is based on the financial harm caused to HarbourVest from Acis's bankruptcy and the orders entered in the Acis bankruptcy. Mr. Dondero extrapolates from this that HarbourVest is seeking to challenge this Court's rulings in Acis. (Dondero Obj., ¶¶ 17-20) Mr. Dondero misinterprets HarbourVest's claims and the dangers such claims pose to the Debtor's estate.
- 16. HarbourVest's claims are for fraud, fraudulent inducement, fraudulent concealment, fraudulent misrepresentation, negligent misrepresentation, breach of fiduciary duty

and unfair prejudice (under Guernsey law), violations of state securities laws, and RICO. HarbourVest is not arguing that Acis or this Court caused its damages; HarbourVest is arguing that *the Debtor* – led by Mr. Dondero – (a) misled HarbourVest as to the nature of Mr. Terry's claims against the Debtor and the litigation with Acis, (b) knowingly and intentionally failed to disclose that the Debtor was engaged in the fraudulent transfer of assets to prevent Mr. Terry from collecting his judgment, and (c) that *the Debtor* – under the control of Mr. Dondero – improperly engaged in a crusade against Mr. Terry and Acis, which substantially damaged HarbourVest and its investment in HCLOF, in each case in order to induce HarbourVest to invest in HCLOF.

- 17. Again, HarbourVest does not contend that Acis caused its damages. Rather, HarbourVest contends that the fraudulent transfer of assets as part of the Debtor's crusade against Mr. Terry and Acis and the false statements and omissions about those matters caused HarbourVest to make an investment it would never have made had Mr. Dondero and the Debtor been honest and transparent. The Acis litigation in HarbourVest's estimation never should have happened. Acis did not cause HarbourVest's damages. Mr. Dondero's crusade against Mr. Terry and the Debtor's allegedly fraudulent statements to HarbourVest about the fraudulent transfers, Mr. Terry and Acis caused HarbourVest's damages.
- Trusts argue that the HarbourVest settlement is not fair and equitable and not in the best interests of the estate because (a) it does not address the Debtor's arguments against the HarbourVest claims and (b) there is a lack of pending litigation seeking to narrow the claims against the estate. These arguments only summarily address the first two factors of *Cajun Electric*, which deal with success in the litigation, and, in doing so, mischaracterize the dangers to the Debtor's estate

posed by HarbourVest's claims. (Dondero Obj., ¶¶ 21-25; Trusts Obj., ¶ 18(a))

19. Both the Dondero Objection and – to a much lesser extent - the "Trusts" Objection allege that (a) HarbourVest's losses were caused by Acis and its (mis)management of HCLOF's investments (Dondero Obj.,¶22, 24), (b) there is no contract that supports HarbourVest's claims (Dondero Obj.,¶23; Trusts Obj.,¶18(a)), (c) there is no causal connection between HarbourVest's losses and the Debtor's conduct (Dondero Obj.,¶24), and (d) the Debtor should litigate all or a portion of HarbourVest's claim before settling (Dondero Obj.,¶25). Again, though, as set forth above, both Mr. Dondero and the "Trusts" seek to shift the cause of HarbourVest's damages away from the Debtor's misrepresentations and to Mr. Terry's management of HCLOF's investments. This is simple misdirection.

20. HarbourVest's claims are that it invested in HCLOF based on the Debtor's fraudulent misrepresentations. Fraudulent misrepresentation sounds in tort, not contract. *See, e.g., Clark v. Constellation Brands, Inc.*, 348 Fed. Appx. 19, 21 (5th Cir. 2009) (referring to party's claim based on fraudulent misrepresentation as a tort); *Eastman Chem. Co. v. Niro, Inc.*, 80 F. Supp. 2d 712, 717 (S.D. Tex. 2000) (noting that party had common law duty not to commit intentional tort of fraudulent misrepresentation). There is thus no need for HarbourVest to point to a contractual provision to support its claim. Moreover, in order to defend against HarbourVest's claims, the Debtor would need to elicit evidence showing that its employees did not make misrepresentations to HarbourVest. Such a defense would require the Debtor to rely on the veracity of Mr. Ellington's testimony, among others. That is a high hurdle, and no reasonable person would expect the Debtor to stake the resolution of HarbourVest's \$300 million claim on the Debtor's ability to convince this Court that Mr. Ellington was telling HarbourVest

⁹ Subsequent to filing the Motion, the Objectors requested all agreements between HarbourVest, HCLOF, and the Debtor, and such agreements were provided.

the truth. This is especially true in light of the evidence supporting Mr. Ellington's recent termination for cause and the evidence recently provided by HarbourVest supporting its claim for fraudulent misrepresentations.

- 21. Finally, neither Mr. Dondero nor the "Trusts" even address the third factor analyzed by the Fifth Circuit: all other factors bearing on the wisdom of the compromise, including "the paramount interest of creditors with proper deference to their reasonable views." This is telling because no creditor or party in interest has objected to the settlement. Mr. Dondero and his proxies' preference for constant litigation should not outweigh the preference of the Debtor and its creditors for a reasonable and expeditious settlement of HarbourVest's claims.
- 22. The HarbourVest Settlement Is a Windfall to HarbourVest. Both the Dondero Objection and the "Trusts" Objection argue that the HarbourVest settlement represents a substantial windfall to HarbourVest. Both Mr. Dondero and the "Trusts" ignore the facts. Specifically, Mr. Dondero argues that HarbourVest is receiving \$60 million dollars in *actual* value for its claims. Mr. Dondero's contention, however, wrongly assumes that both the \$45 million general unsecured claim and the \$35 million subordinated claim provided to HarbourVest under the settlement will be paid 100% in full and that HarbourVest will receive \$80 million in cash. From that \$80 million, Mr. Dondero subtracts \$20 million, which represents the value Mr. Dondero ascribes to HarbourVest's interests in HCLOF that are being transferred to the Debtor. Mr. Dondero's math ignores the reality of this case.
- 23. The Debtor very clearly disclosed in the projections filed with the *Disclosure Statement for the Fifth Amended Plan of Reorganization of Highland Capital Management, L.P.*, [Docket No. 1473] (the "<u>Projections</u>") that general unsecured claims would receive an 87.44% recovery *only if* the claims of UBS, HarbourVest, Integrated Financial Associates, Inc., Mr.

Daugherty, and the Hunter Mountain Investment Trust were zero. Because of the Debtor's success is settling litigation, that assumption is proving to be inaccurate. Regardless, even if general unsecured claims receive a recovery of 87.44%, because the subordinated claims are junior to the general unsecured claims, the subordinated claims' projected recovery is currently zero. As such, assuming the HCLOF's interests are worth \$22.5 million, the actual recovery to HarbourVest will be less than \$16.8 million. This is not a windfall. HarbourVest's investment in HCLOF was \$80 million and its claim against the estate was over \$300 million. The settlement represents a substantial discount.

24. **Improper Gerrymandering and/or Vote Buying.** Each of Mr. Dondero and the Trusts argue in one form or another that the HarbourVest settlement is improper as it provides HarbourVest a windfall on its claims in exchange for HarbourVest voting to approve the Plan. These unsubstantiated allegations of vote buying should be disregarded. As an initial matter, and as set forth above, HarbourVest is *not* getting a windfall. HarbourVest is accepting a substantial discount in the settlement. HarbourVest's incentive to support the Plan comes from HarbourVest's determination that the Plan is in its best interests. There is also nothing shocking about a settling creditor supporting a plan. Indeed, it would be nonsensical for a creditor to settle its claims and then object to the plan that would pay those claims.

25. More importantly, HarbourVest's votes in Class 9 (Subordinated Claims) are not needed to confirm the Plan. As will be set forth in the voting declaration, Class 2 (Frontier Secured Claim), Class 7 (Convenience Claims), and Class 8 (General Unsecured Claims) have voted in favor of the Plan. In brief, the Plan was approved without HarbourVest's Class 9 vote,

¹⁰ It is currently anticipated that Mr. James P. Seery, Jr., the Debtor's chief executive officer and chief restructuring officer, will testify as to the value of the HCLOF interests to the Debtor's estate.

¹¹ The Debtor anticipates that Mr. Dondero and his related entities will argue that neither Class 7 nor Class 8 voted to accept the Plan because of the votes cast against the Plan in those Classes by current and former Debtor

and the Debtor, therefore, has no need to "buy" HarbourVest's Class 9 claims. Accordingly, any claims of gerrymandering or vote buying are without merit.

C. <u>CLOH Objection</u>

26. CLO Holdco (and to a much lesser extent, the "Trusts") object to HarbourVest's transfer of its interests in HCLOF as part of the settlement. Currently, the settlement contemplates that HarbourVest will transfer 100% of its collective interests in HCLOF to HCMLP Investments, LLC ("HCMLPI"), a wholly-owned subsidiary of the Debtor. As set forth in the *Transfer Agreement for Ordinary Shares of Highland CLO Funding, Ltd.* (which was appended as Exhibit A to the Settlement Agreement) [Docket No. 1631-1], each of the Debtor, HarbourVest, Highland HCF Advisors, Ltd. (HCLOF's investment manager) ("HHCFA"), and HCLOF agree that HarbourVest is entitled to transfer its interests to HCMLPI pursuant to that certain *Members Agreement Relating to the Company*, dated November 15, 2017 (the "Members Agreement"), 12 without offering that interest to other investors in HCLOF.

- 27. The *only* party to object to the transfer of HarbourVest's interests in HCLOF to HCMLPI is CLO Holdco. CLO Holdco holds approximately a 49.02% interest in HCLOF and is the wholly-owned subsidiary of the DAF, Mr. Dondero's donor-advised fund. CLO Holdco argues that the Member Agreement requires HarbourVest to offer its interest first to the other investors in HCLOF before it can transfer its interests to HCMLPI. In so arguing, CLO Holdco attempts to create ambiguity in an unambiguous contract and to use that ambiguity to disrupt the Debtor's settlement with HarbourVest.
- 28. As an initial matter, the Debtor and CLO Holdco agree that the transfer of HarbourVest's interests in HCLOF to HCMLPI is governed by Article 6 (Transfers or Disposals

employees, including Mr. Ellington and Mr. Isaac Leventon. The Debtor will demonstrate at confirmation that those objections are without merit and that Class 7 and Class 8 voted to accept the Plan.

¹² A true and accurate copy of the Members Agreement is attached hereto as Exhibit A.

of Shares) of the Members Agreement (an agreement governed by Guernsey law). (CLOH Obj., ¶3) The parties diverge, however, as to how to interpret Article 6. The Debtor, as set forth below, believes Article 6 is clear in that it allows HarbourVest to transfer its interests in HCLOF to any "Affiliate of an initial Member party" without requiring the right of first refusal in Section 6.2 of the Members Agreement. CLO Holdco's position appears to be that the Members Agreement, despite its clear language, should be interpreted as limiting transfers to an "initial Member's *own* affiliates" and that any other transfer requires the consent of HHCFA and satisfaction of the right of first refusal. (*Id.* (emphasis added)) CLO Holdco's reading is contrary to the actual language of the Members Agreement.

29. First, Section 6.1 of the Members Agreement provides, in pertinent part:

(Members Agmt, § 6.1 (emphasis added)) Under the Members Agreement, "Affiliate" is defined, in pertinent part, as "

(Id., § 1.1) A "Member" in turn is a _____." The "initial Member[s]" are the initial Members of HCLOF listed on the first page of the Members Agreement and include the Debtor, HarbourVest, and CLO Holdco.

30. As such, under the plain language of Section 6.1, HarbourVest is entitled – without the consent of any party – to "Transfer" its interests in HCLOF to an "Affiliate" of any of the Debtor, HarbourVest, or CLO Holdco. And that is exactly what is contemplated by the settlement. HarbourVest is transferring its interests to HCMLPI, a wholly owned and controlled subsidiary of the Debtor, and therefore an "Affiliate" of the Debtor. That transfer is indisputably

allowed under Section 6.1; it is a transfer to an "Affiliate of an initial Member." CLO Holdco may, tongue in cheek, call this structure "convenient" but that sarcasm is an attempt to avoid the fact that the Members Agreement clearly allows HarbourVest to transfer its interest to HCMLPI without the consent of any party. The fact that CLO Holdco does not now like the language it previously agreed to when CLO Holdco and the Debtor were both controlled by Mr. Dondero is not a reason to re-write Section 6.1 of the Members Agreement.

- 31. Second, Section 6.2 of the Members Agreement is also unambiguous and, by its plain language, allows HarbourVest to "Transfer" its interests in HCLOF to "Affiliates of an initial Member" (*i.e.*, HCMLPI) without having to first offer those interests to the other Members (such obligation, the "ROFO"). CLO Holdco attempts to create ambiguity in Section 6.2 by arguing that it must be read in conjunction with Section 6.1 and that interpreting the plain language of Section 6.2 to allow HarbourVest to transfer its interests to HCMLPI without restriction makes certain other language surplus and meaningless. (CLOH Obj., ¶ 11-13) Again, CLO Holdco is attempting to create controversy and ambiguity where none exists.
 - 32. Section 6.2 of the Members Agreement provides, in pertinent part:

(Members Agmt., § 6.2 (emphasis added)) Like Section 6.1, Section 6.2 is clear on its face. It exempts from the requirement to comply with the ROFO two categories of "Transfers": (1) Transfers to "affiliates of an initial Member" from Members *other than* CLO Holdco and the

¹³ Although HHCFA's consent is not necessary for HarbourVest to transfer its interests to HCMLPI, HHCFA will consent to the transfer.

"Highland Principals" (*i.e.*, the Debtor and certain of its employees)¹⁴ and (2) Transfers from CLO Holdco or a Highland Principal to the Debtor, the Debtor's "Affiliates," or another Highland Principal. The fact that a narrower exemption is provided to CLO Holdco and the Debtor than to HarbourVest (or any other Member) under Section 6.2 is of no moment; the language says what it says and was agreed to by all Members, including CLO Holdco, when they executed the Members Agreement.

33. In addition, and although not relevant, the language of Section 6.2 makes sense in the context of the deal. Although CLO Holdco and the Debtor may have disclaimed an "Affiliate" relationship, they are related through Mr. Dondero and invest side by side with the Debtor in multiple deals.¹⁵ The different standards in Section 6.2 serve to ensure that HarbourVest's (or any successor to HarbourVest) right to Transfer its shares without satisfying the ROFO is limited to three parties: (i) HarbourVest's Affiliates, (ii) the Debtor's Affiliates, and (iii) CLO Holdco's Affiliates. This restriction keeps the relative voting power of each Member static and ensures that CLO Holdco and the Debtor, together, will always have more than fifty percent of HCLOF's total interests and that HarbourVest will always have less than fifty percent. This counterintuitively also explains the greater restrictions placed on CLO Holdco and the "Highland Principals." The Highland Principals include certain Debtor employees. Those employees – as well as CLO Holdco and the Debtor – are prohibited from transferring their HCLOF interests outside of the Dondero family. This restriction makes sense. If, for example, a Debtor employee wanted to transfer its interests to an Affiliate of HarbourVest, HarbourVest could have more than fifty percent of the HCLOF interests because of the thinness

¹⁴ "Highland Principals" means:

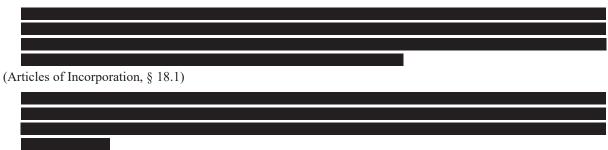

(Members Agmt., § 1.1)

¹⁵ There can be no real dispute that Mr. Dondero effectively controls CLO Holdco.

of the Dondero-family's majority (approximately 0.2%). At the time the Members Agreement was executed, CLO Holdco and the Debtor were under common control. Section 6.2 preserves those related entities' control over HCLOF by restricting transactions that would transfer that control unless the ROFO is complied with.

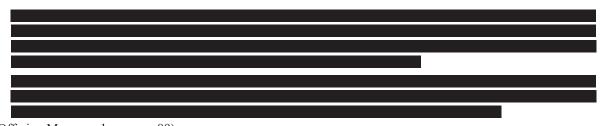

34. As such, and notwithstanding CLO Holdco's protestations, Section 6.1 and Section 6.2 are consistent as written and clear on their face. This consistency is further evidenced by HCLOF's Articles of Incorporation¹⁶ and HCLOF's offering memorandum, which each include language identical to Section 6.1 and 6.2 of the Members Agreement.¹⁷ It seems highly unlikely, if not implausible, that sophisticated parties such as CLO Holdco would include the exact same language in six separate places over three documents without a reason for that language and without the intent that such language be interpreted as it is clearly written – not as CLO Holdco now wants it to be interpreted. Accordingly, since HarbourVest is transferring its interests to HCMLPI, an Affiliate of an initial Member, the plain language of Section 6.2

¹⁶ See Articles of Incorporation, adopted November 15, 2017, a true and correct copy of which is attached hereto as Exhibit B.

(*Id.*, § 18.2)

¹⁷ See Offering Memorandum, dated November 15, 2017, a true and correct copy of which is attached hereto as Exhibit C.

(Offering Memorandum, page 89)

exempts HarbourVest from having to comply with the ROFO.

- 35. Third, and finally, CLO Holdco makes the nonsensical argument that because Section 6.2 provides different treatment to similarly situated Members that this Court should rewrite Section 6.2. (CLOH Obj., ¶¶ 15-17) Contracts provide different treatment to ostensibly similarly situated parties all the time and no one objects that that creates an absurd result. It just means that different parties bargained for and received different rights.
- Agreement to correct the "disparate treatment" is also unavailing. As an example of the absurd result caused by the "disparate treatment," CLO Holdco states: "[B]ecause the HarbourVest Members are technically Affiliates of an initial member (each other), they could obtain control of all of the interests in HCLOF without any Member receiving a Right of First Refusal for any transfer." (*Id.*, ¶ 16) The scenario posited by CLO Holdco, however, is *exactly* the scenario prevented by the clear language of Section 6.2. For HarbourVest to obtain control of HCLOF, it would as a matter of mathematical necessity need the interests held by CLO Holdco (49.02%) and/or the Highland Principals (1% in the aggregate). Section 6.2, however, *expressly* prohibits CLO Holdco and the Highland Principals from transferring their interests to HarbourVest or its Affiliates without satisfying the ROFO. As set forth above, it is Section 6.2 that prevents control from being transferred away from the Dondero family without compliance with the ROFO. In fact, Section 6.2 would only break down if the limiting language in Section 6.2 were read out of it in the manner advocated by CLO Holdco.
- 37. Ultimately, Article 6 of the Members Agreement is clear as written and expressly allows HarbourVest to transfer its interests to HCMLPI. If CLO Holdco had an objection to the rights provided to HarbourVest under the Members Agreement, CLO Holdco

should have raised that objection three and a half years ago before agreeing to the Members Agreement. CLO Holdco should not be allowed to create ambiguity in an unambiguous contract or to re-write that agreement to impose additional restrictions on HarbourVest. *See Clardy Mfg. Co. v. Marine Midland Bus. Loans Inc.*, 88 F.3d 347, 352 (5th Cir. 1996) (enforcing the "unambiguous language in a contract as written," noting that where a contract is unambiguous, a party may not create ambiguity or "give the contract a meaning different from that which its language imports") (internal quotations omitted); *Texas v. Am. Tobacco Co.*, 463 F.3d 399, 407 (5th Cir. 2006) ("Courts interpreting unambiguous contracts are confined to the four corners of the document, and cannot look to extrinsic evidence to create an ambiguity.").

- 38. It should go without saying, but CLO Holdco (and the other parties to the Members Agreement) should also be required to satisfy their obligations under the Members Agreement and execute the "Adherence Agreement" as required by Section 6.6 of the Members Agreement in connection with the Transfer of HarbourVest's interests to HCMLPI or any other permitted Transfer.
- 39. Finally, and notably, although CLO Holdco spends considerable time arguing that HarbourVest should be required to comply with the ROFO, nowhere in the CLOH Objection does CLO Holdco state that it wishes to purchase HarbourVest's interests in HCLOF. This omission is telling. CLO Holdco and the other Objectors have no interest in actually exercising their alleged right of first refusal contained in the Members Agreement. Rather, their only interest is in causing the Debtor to spend time and money responding to a legion of related (and coordinated) objections.¹⁸

DALLAS, TEXAS - JANUARY 14, 2021 - 9:41 A.M.

THE CLERK: All rise. The United States Bankruptcy Court for the Northern District of Texas, Dallas Division, is now in session, the Honorable Stacey Jernigan presiding.

THE COURT: Good morning. Please be seated. All right. We're a little late getting started because we had lots of reading material for the Court today. All right. This is Judge Jernigan, and we have a couple of Highland settings. The HarbourVest matters are the primary thing we have set today, and then we also have a Debtor's motion pursuant to protocols for authority for Highland Multi-Strat to prepay a loan.

All right. Well, let's get a few appearances. First, for the Debtor team, who do we have appearing this morning?

MR. POMERANTZ: Good morning, Your Honor. It's Jeff Pomerantz, John Morris, and Greg Demo here on behalf of the Debtor.

THE COURT: Okay. Thank you.

All right. We have objections on HarbourVest. Who do we have appearing for Mr. Dondero this morning?

MR. WILSON: Your Honor, it's John Wilson, and I'm also joined by Michael Lynn, John Bonds, and Bryan Assink.

THE COURT: Okay. I'm sorry. Could -- the court reporter does yeoman's work in this case. Let me just make sure we got all three of those names. Say again, Mr. Wilson.

MR. WILSON: John Bonds and Michael Lynn and Bryan Assink.

THE COURT: Oh, okay. So, see, I thought I heard somebody Wilson in all of that, which was why I was pressing the issue.

All right. Is Mr. Dondero present on the video for today's hearing?

MR. WILSON: I believe he is, Your Honor.

THE COURT: Mr. Dondero, could you confirm that you are out there? (No response.) Okay. My court reporter says he sees the name out there. Is he in your office?

MR. WILSON: Your Honor, he is appearing remotely from my office. I'm not sure exactly where he's appearing from.

THE COURT: Okay. Well, Mr. Dondero, if you're out there and you're speaking up to confirm you're present, we're not hearing you. Maybe your device is on mute. So please unmute yourself.

(No response.)

THE COURT: All right. I'm going to take some other appearances and you -- you need to try to communicate with your client and let him know I need to confirm he's present.

Okay?

All right. Meanwhile, let's go to our other Objectors.

CLO Holdco. Who do we have appearing today?

1 MR. KANE: John Kane; Kane Russell Coleman & Logan; 2 on behalf of CLO Holdco. 3 THE COURT: All right. Thank you, Mr. Kane. 4 We had an objection from Dugaboy Investment Trust and Get Good Trust. Who do we have appearing? 5 MR. DRAPER: Douglas Draper, Your Honor, for -- for 6 7 Draper. THE COURT: All right. Thank you, Mr. Draper. 8 9 All right. I think those were the only written objections we had. Mr. Pomerantz, do you confirm, we don't have any 10 other objectors for the motions set, correct? 11 12 MR. POMERANTZ: Your Honor, there was those three. 13 THE COURT: I'm sorry. I didn't catch your full 14 sentence. 15 MR. POMERANTZ: That is correct, Your Honor. There 16 were three objections to the motion. 17 THE COURT: Okay. Mr. Clemente, you're there for the 18 Creditors' Committee? 19 MR. CLEMENTE: Yes. Good morning, Your Honor. Matt 20 Clemente on behalf of the Official Committee of Unsecured Creditors. 21 22 THE COURT: All right. Good morning. Thank you. 23 All right. We have a lot of other folks on the video. I'm not going to go ahead and take a roll call of other lawyers. 24 25 MS. WEISGERBER: Your Honor?

1 THE COURT: Yes? 2 MS. WEISGERBER: Excuse me, Your Honor. It's Erica 3 Weisgerber from Debevoise on behalf of HarbourVest. 4 THE COURT: Okay. 5 MS. WEISGERBER: And I'm joined by Natasha Labovitz and Dan Stroik --6 7 THE COURT: Okay. MS. WEISGERBER: -- from Debevoise as well. 8 9 THE COURT: Thank you. I was neglectful in not 10 getting your appearance, because, of course, you're at the 11 front and center of this motion to compromise, and I did see 12 that you filed a reply brief yesterday afternoon. Okay. 13 Thank you. All right. Do we have -- do we have Mr. Dondero on the 14 15 line? I'm going to check again. 16 (No response.) 17 THE COURT: Mr. Dondero's counsel, I cannot hear you, 18 so please unmute your device. 19 MR. WILSON: Your Honor, it appears to me that Mr. 20 Dondero's device was unmuted as soon as you asked if he was 21 available. I sent him a communication a second ago asking if 22 he's having technical difficulties. I have not received a 23 response, so I --24 MR. DONDERO: Hello. Can anybody hear me? 25 THE COURT: Oh.

MR. WILSON: Okay. I hear him. 1 2 THE COURT: Mr. Dondero? 3 MR. DONDERO: Hello? 4 THE COURT: Is that you? 5 MR. DONDERO: Yeah, it is. I've been on. I've heard 6 everything since the beginning. It's just we've had technical 7 difficulties. I couldn't use the Highland offices. We've 8 been trying to set up something else. 9 THE COURT: All right. 10 MR. DONDERO: But I'm on now, if -- yes. THE COURT: All right. Very good. Well, I'm glad 11 12 we've got you. 13 All right. Well, Mr. Pomerantz, how did you want to 14 proceed this morning? 15 MR. POMERANTZ: Your Honor, we could take up the HarbourVest motion first, and I will turn it over to John 16 17 Morris. He and Greg Demo will be handling that. And then 18 after that we can handle the other motion, which is unopposed. 19 THE COURT: All right. Mr. Morris? 20 MR. KANE: Your Honor, this is -- sorry. This is 21 John Kane for CLO Holdco. Just very briefly, if I may. And 22 this will affect, I think, the Debtor's case in chief, so I'll 23 expedite things a little bit, I believe. CLO Holdco has had an opportunity to review the reply 24 25 briefing, and after doing so has gone back and scrubbed the

HCLOF corporate documents. Based on our analysis of Guernsey law and some of the arguments of counsel in those pleadings and our review of the appropriate documents, I obtained authority from my client, Grant Scott, as Trustee for CLO Holdco, to withdraw the CLO Holdco objection based on the interpretation of the member agreement.

THE COURT: All right. Well, thank you for that, Mr. Kane. I think that -- that eliminates one of the major arguments that we had anticipated this morning. So, thank you for that.

Any other housekeeping matters that maybe someone had that I didn't ask about?

MS. MATSUMURA: Yes, Your Honor. This is Rebecca
Matsumura from King & Spalding representing Highland CLO
Funding, Ltd. I just wanted to put on the record, we -- our
client had requested that some of its organizational documents
be filed under seal. But we have given permission for the
parties to present the relevant excerpts, to the extent it's
still relevant after Mr. Kane's announcement, in court. And
we'd just ask that the underlying documents remain sealed, but
we're not going to object if they show them on a PowerPoint or
anything like that.

So, to the extent that you had that on your radar, I just wanted to clear that up for the proceedings.

THE COURT: All right. Well, I did sign an order

late last night. I don't know if it's popped up on the docket.

MS. MATSUMURA: Yes, Your Honor. That's what this referred to. That was what -- these are the documents that were being sealed. And so I just wanted to note, if you -- you know, if the Debtor puts up an excerpt of those documents and you're like, wait a minute, didn't I seal those, that we were the party that requested them be under seal and we're fine with them being shown in court, as long as the underlying documents aren't publicly accessible.

THE COURT: Okay. Got you. Thank you.

All right. Any other housekeeping matters?

MR. MORRIS: Yes, Your Honor. This is John Morris from Pachulski Stang for the Debtor. Good morning.

THE COURT: Good morning.

MR. MORRIS: The only other matter that I wanted to raise, and I can do it now or I can do it later, or Your Honor may tell me that it's not appropriate to do at this time, is to schedule the Debtor's motion to hold Mr. Dondero in contempt for violation of the TRO.

THE COURT: All right. Well, let's do that at the conclusion today. And please make sure I do it. I think I was going to address this last Friday, and we went very late and it slipped off my radar screen. But I did see from my courtroom deputy that you all were reaching out to her

yesterday to get this set, and then Mr. Dondero's counsel reached out to her and said, We're going to file an objection to a setting next Wednesday, or I think you had asked for a setting next Tuesday or Wednesday.

MR. MORRIS: I did.

THE COURT: And I don't -- I don't know if that response/objection was ever filed last night. I haven't seen it if it was. So, we'll -- please, make sure I don't forget. We'll take that up at the end of today's matters. All right. Well, --

MR. MORRIS: All right. So, --

MS. WEISGERBER: Your Honor, one last housekeeping item from -- I'm joined this morning by Michael Pugatch of HarbourVest, who will present some testimony this morning. I just want to confirm he's on the line and confirm no objections to him sitting in for the rest of the hearing.

THE COURT: All right. Mr. Pugatch, this is Judge Jernigan. Could you respond? Are you there with us?

MR. PUGATCH: Yes. Good morning, Your Honor. Mike Pugatch from HarbourVest here.

THE COURT: All right. Very good. I think we had you testify once before in the Acis matter, if I'm not mistaken. Maybe. Maybe not. Maybe I saw a video deposition. I can't remember.

All right. So, we're going to let Mr. Pugatch sit in on

this. Anyone want to say anything about that? I consider him a party representative, so I don't -- I don't think anyone could invoke the Rule.

All right. Very good. Well, let's go forward if there are no more housekeeping matters.

MR. MORRIS: Okay.

THE COURT: Mr. Morris?

MR. MORRIS: Thank you. Thank you very much, Your Honor. John Morris; Pachulski Stang Ziehl & Jones; for the Debtor.

It's a rather straightforward motion today. It's a motion under Rule 9019, pursuant to which the Debtor requests the Court's authority and approval to enter into a settlement agreement with HarbourVest that will resolve a number of claims that HarbourVest has filed against the Debtor.

What I -- the way I propose to proceed this morning, Your Honor, is to give what I hope is an informative but relatively brief opening statement. I'll defer to HarbourVest and its counsel as to whether they want to make a presentation in advance of the offer of evidence. Any objecting party, I suppose, should then be given the opportunity to present their case to the Court. Then the Debtor will call Jim Seery, the Debtor's CEO and CRO. We will offer documents into evidence. I would propose then that the objecting parties take the opportunity to ask Mr. Seery any questions they'd like on the

matter.

After the Debtor rests, I think HarbourVest would like to put Mr. Pugatch on the stand to offer some testimony on their behalf. And I think that that will conclude the case. We can finish up with some closing arguments as to what we believe the evidence showed, but that's the way that I'd like to proceed, if that's okay with the Court.

THE COURT: All right. That sounds fine.

OPENING STATEMENT ON BEHALF OF THE DEBTOR

MR. MORRIS: Okay. So, as I said, Your Honor, this is a -- this should be a very straightforward motion under Rule 9019. The standard is well-known to the Court. There are four elements to a 9019 motion. The Debtor clearly has the burden of proof on each one. And we easily meet that burden, Your Honor.

The standard, just to be clear, the first part is that we have to establish a probability of success, with due consideration for uncertainty of law and fact. The second one is the complexity, likely duration, expense and inconvenience of the litigation. The third part of the test is the paramount interest of creditors. And the fourth part of the test is whether or not the proposed settlement was reached after arm's-length negotiations.

The Debtor believes that it easily meets this standard, and frankly, is a little bit frustrated that it's being forced

to incur the expense by Mr. Dondero in going through this process.

A plain reading, a fair reading of the economics here relative to the claim shows that this is a very reasonable settlement. I don't need to go beyond that, Your Honor. I don't even need to use the word reasonable. It surely meets the lowest standard.

We've prepared a couple of demonstrative exhibits, Your Honor. I'm going to use them with Mr. Seery. But I'd like to just put one up on the screen now, if I may.

Ms. Canty, can you please put up Demonstrative Exhibit #3?

Demonstrative Exhibit #3 is an outline of the economics of the settlement. It includes the various pieces, the components that the parties have agreed to. And it shows, at least from the Debtor's perspective, just what HarbourVest is being given here.

Up on the screen is a demonstrative exhibit. It has citations to the evidence that will be admitted by the Court. The first line shows that HarbourVest will receive a \$45 million allowed general unsecured nonpriority claim. And that -- that can be found at Debtor's Exhibit EE, Exhibit 1, at Page 2.

That claim is discounted by the expected recovery that general unsecured creditors are supposed to get. As of November, in the liquidation analysis that was part of the

disclosure statement -- that's the citation in the footnote -the Debtor believed that unsecured creditors were estimated to
recover approximately eighty-seven and a half cents on the
dollar. And so we just did the arithmetic there to get to the
net economic value of the proposed general unsecured claim.

And from that, we reduced \$22-1/2 million because that is the net asset value of HarbourVest's interest in HCLOF, which, pursuant to the settlement agreement, it will transfer back to the Debtor, so that the net economic value is approximately \$16.8 million.

You will hear testimony from Mr. Seery that this number is, in fact, overstated, and it's overstated because, since the time the disclosure statement was filed in November, a number of events have occurred that will -- that have caused the estimated recovery percentage to be reduced from approximately 87-1/2 percent to something lower than that. We don't have the exact number, Your Honor, but Mr. Seery will -- and the evidence will show that there's been more expenses, that there's been some resolution of certain claims. There's been some positive issues, too. But that number is probably in the 70s somewhere.

And in any event, I think the point here is, Your Honor, HarbourVest invested \$80 million in HCLOF, which was going to participate in the investment in CLOs. They filed a claim for \$300 million, through treble damages and other claims. But

the net economic impact of this is going to be somewhere probably in between \$12 and \$14 million. I'll let Mr. Seery give more precision to that. And it represents less than -- a less than five percent recovery on the total claim.

And we think it's important for the Court to keep that in mind. What are the economics here? Are we overpaying? Is this an unreasonable settlement? And I think the evidence will show that the Debtor is not, but that this settlement that you see before you was the product of arm's length, and I'm going to go in reverse order of the four-part test under 9019.

So, the last part is whether or not the settlement, the proposed settlement was the product of arm's-length negotiation. You'll hear lots of evidence that this settlement that's up on the screen right now very much was the product of arm's-length negotiation.

The third part of the test, Your Honor, is whether it meets the paramount interest of creditors. You know, regrettably, Mr. Dondero is the only purported creditor who is objecting here. He may have done so through different vehicles, but every objecting party here is a debtor [sic] owned and controlled by Mr. Dondero. No other creditor -- not the Creditors' Committee, UBS, Acis, Mr. Terry, Mr. Daugherty -- nobody is objecting to this settlement except for Mr. Dondero. And we believe that that highlights the Debtor's

ability to meet the third prong of the test, and that is these are -- this settlement is in the paramount interest of creditors.

Again, going in reverse, the second part of the test is the complexity, duration, and expense of litigation. There will be no disputed evidence that we meet -- the Debtor easily meets this prong of the test. The evidence is going to show that HarbourVest's claim is based on fraud, fraud in the inducement, fraudulent statements and omissions, the kind of case, Your Honor, that I'm sure you're familiar with that is incredibly fact-intensive, that will be incredibly difficult to navigate through. It will be prolonged, it will be expensive, because you're necessarily relying on he said/she said, basically. And so we're going to have to get testimony from every person that spoke in connection with the events leading up to the transaction. So we think the second prong will be easily met, Your Honor.

And then the last prong -- the first prong, if you will -is the likelihood of success on the merits. We think that the
settlement, the economic recovery that's up on the screen
here, which ultimately will be less than five percent of the
claimed amount, in and of itself shows that the settlement is
consistent with the Debtor's perception of its likely success
on the merits. I'm certain that HarbourVest disagrees, but
that's okay, we're here today and that's the Debtor's view,

and the Court is here to assess the Debtor's business judgment and whether the Debtor has properly analyzed the issues and gone through the process. And the evidence will show conclusively that it will. That it has.

Mr. Seery will testify at some length as to the risks that he saw. I think that you'll hear counsel for Mr. Dondero ask both Mr. Seery and Mr. Pugatch a number of questions designed to elicit testimony about this defense or that defense. And it's a little -- it's a little ironic, Your Honor, because, really, every defense that they're going to try to suggest to the Court was a valid defense is a defense that the Debtor considered. In fact, it's, you know, it's a little spooky, how they've -- how they've been able to identify kind of the arguments that the Debtor had already considered in the prosecution of their objections here.

But be that as it may, the evidence will conclusively show that the Debtor acted consistent with its fiduciary duties, acted in the best interests of the Debtor's estate, acted completely appropriately here in getting yet another very solid achievement for the Debtor, leaving very few claims that are disputed at this point, all but one of which I believe are in the hands of Mr. Dondero.

So, that's what we think that the evidence will show.

I do want to express my appreciation to Mr. Kane for reflecting on the arguments that we made with respect to the

2.5

ability of the Debtor to engage in the transfer or the acquisition of the asset from HarbourVest. I would -- I would respectfully request that we just enter into a short stipulation on the record reflecting that the Debtor's acquisition of HarbourVest's interests in HCLOF is compliant with all of the applicable agreements between the parties.

And with that, Your Honor, I look forward to putting Mr. Seery on the stand and presenting the Debtor's case.

THE COURT: All right. Other opening statements?

OPENING STATEMENT ON BEHALF OF CLO HOLDCO, LTD.

MR. KANE: Yes, Your Honor. Sorry. John Kane on behalf of CLO Holdco.

In response to Mr. Morris, I'm not going to enter into a stipulation on behalf of my client, but the Debtor is compliant with all aspects of the contract. We withdrew our objection, and we believe that's sufficient.

THE COURT: All right. Well, I'm content with that. Other opening statements?

OPENING STATEMENT ON BEHALF OF HARBOURVEST

MS. WEISGERBER: Your Honor, Erica Weisgerber on behalf of HarbourVest.

HarbourVest joins in Mr. Morris's comments in support of the settlement, and we believe that the question of whether the settlement between HarbourVest and the Debtor satisfies the Rule 9019 standard is not even a close one.

Some Objectors have made arguments about the merits of HarbourVest's claims, which is why we're here. As Your Honor will hear this morning, HarbourVest has meaningful and meritorious claims against Highland, but made the business decision to avoid the time, expense, and inherent risk of litigation in the interest of preserving value, both for itself and for the estate.

Today, Michael Pugatch, a managing director of
HarbourVest, will testify before the Court. He'll explain
that HarbourVest claims against Highland arise out of certain
misrepresentations and omissions by Highland to HarbourVest in
connection with HarbourVest's purchase of an interest in
HCLOF, one of Highland's managed funds. Those
misrepresentations and omissions, as Your Honor will hear,
relate to Highland's litigation with its former employee,
Joshua Terry, and transfers that were conducted in 2017 to
strip Acis of value and prevent Mr. Terry from collecting on
an \$8 million judgment.

Mr. Pugatch will further explain that HarbourVest would not have invested in HCLOF had it known the underlying facts about those Acis transfers.

Mr. Pugatch will also testify that not only did

HarbourVest not know about those transfers, it learned about
those transfers when it was accused of orchestrating the
transfers itself in the Acis bankruptcy. Your Honor will hear

that the Acis trustee sought extensive discovery from HarbourVest after numerous accusations that HarbourVest was behind the transfers.

Mr. Pugatch will also testify that Highland charged legal fees for itself and its affiliates to HCLOF, essentially forcing HCLOF to fund the litigation involving the Acis bankruptcy and Mr. Terry.

In total, HarbourVest's claims for damages are over a hundred million dollars in investment-related losses, lost profits, legal fees inappropriately charged to HCLOF, its own legal fees. And that's before interest or trebling damages.

But HarbourVest stands ready to litigate its claims, but following hard-fought and extensive negotiations with the Debtors, the parties reached the settlement that's now before the Court. Mr. Pugatch's testimony regarding the strong factual bases for HarbourVest's claims against Highland and its recoverable damages will further underscore the risks that the Debtors faced if they chose to litigate these claims, and why this settlement is fair, equitable, and in the best interest of the estate.

THE COURT: All right. Thank you, Counsel.
Other opening statements?

OPENING STATEMENT ON BEHALF OF GET GOOD AND DUGABOY TRUSTS

MR. DRAPER: Your Honor, this is Douglas Draper on behalf of one of the Objectors. I'd like to just make a few

comments with respect to what I've heard and what the Court is going to hear.

The first issue I'd like to address is the comment by counsel for the Debtor that no other party has objected. The 9019 motion is one of the issues that this Court has to rule on, whether or not there was an objection or not. So the fact that this may be -- bankruptcy is not a popularity contest and not an issue of who votes for what and doesn't vote. This, along with the 1129(a) tests, are clearly within your province, and you need to listen carefully because you'll have to make your own independent analysis whether my objection is correct or incorrect.

Two other points I'd like to make that I think are very salient. Number one is, if you look at the Debtor's disclosure statement, it basically took the position that the HarbourVest claim is of little or no value. And lo and behold, thirty days later, there's a settlement that brings about a significant recovery to HarbourVest. The timing is interesting, and I think the Court needs to pay careful attention to what transpired between the two dates.

And then the last point I'd like to make is, as you listen to the evidence, and what I learned abundantly clear from hearing the depositions, is that the claim of HarbourVest, if there is a claim at all, is probably one hundred percent — should be subordinated in that it appears to arise out of the

purchase or sale of a security. And, again, I would ask the Court to listen carefully to this because that's what it appears to be and that's what the evidence is going to show to the Court.

THE COURT: All right. Mr. Draper, let me clarify something I'm not sure if I heard you say or not. Were you saying that the Court still needs to drill down on the issue of whether the Debtor can acquire HarbourVest's interest in HCLOF?

MR. DRAPER: No.

THE COURT: Okay. I was confused whether you were saying I needed to take an independent look at that, now that the objection has been withdrawn of Holdco. You are not pressing that issue?

MR. DRAPER: No, I am not. Basically, I think it's the fairness of the settlement. I think the transferability of the interest is separate and apart from the fairness of the settlement itself. I think the fairness -- the transferability was a contractual issue between two parties that the Court does not have to drill down on.

THE COURT: All right. I have another question for you. I want to clarify your client's standing. Tell me -- I'm looking through a chart I printed out a while back. I guess Dugaboy Investment Trust filed a couple of proofs of claim; is that right?

1 MR. DRAPER: Yes. THE COURT: Okay. What --2 3 MR. DRAPER: And objections are pending. 4 THE COURT: Pardon? 5 MR. DRAPER: Objections to those claims are pending 6 before the Court, Your Honor, --7 THE COURT: Okay. MR. DRAPER: -- and have not been litigated. 8 9 THE COURT: And what about Get Good Trust? 10 MR. DRAPER: Get Good Trust has a proof of claim also 11 that objections are pending to. Pending. 12 THE COURT: Okay. I don't want to get too 13 sidetracked here, but I know standing was -- was mentioned as 14 a legal argument today. What is the basis for those proofs of 15 claim? MR. DRAPER: The first one is, with respect to the 16 17 proof of claim for Dugaboy, there is an investment that 18 Dugaboy made that was then funneled, we believe, up to the 19 Debtor. And the -- the loan that exists, we believe is a 20 Debtor loan, as opposed to a loan to the entity that we made 21 the loans to. 22 And, again, it's a matter that the Court is going to hear. 23 The claim may or may not be allowed. It has not been 24 disallowed yet. 25

The second part to the Dugaboy ownership is we own an

1 interest in the Debtor. And so we are, in fact, a party in 2 interest. 3 THE COURT: Okay. 4 MR. DRAPER: It may be a small interest, but it is an 5 interest. THE COURT: It has a limited partnership interest in 6 7 the Debtor? 8 MR. DRAPER: Yes. 9 THE COURT: Is that correct? 10 MR. DRAPER: Yes. THE COURT: Okay. Well, I'll move forward. Thank 11 12 you. 13 Does that cover -- any other opening statements? I think 14 that covered everyone who was -- who filed some sort of 15 pleading today. No. MR. WILSON: Your Honor, John Wilson on behalf of --16 17 THE COURT: I'm sorry. I'm sorry. MR. WILSON: -- Mr. Dondero. 18 19 THE COURT: I missed Mr. Dondero's counsel. I knew 20 we had visited at some point this morning. I just got 21 confused there. Go ahead, Mr. Wilson. 22 MR. WILSON: No problem, Your Honor. I was just 23 going to say that we will reserve our comments until after the 24 conclusion of the testimony. 25 THE COURT: All right. Very well.

Mr. Morris, you may call your first witness.

MR. MORRIS: Thank you, Your Honor. Before I do, just two very, very quick points.

THE COURT: Okay.

MR. MORRIS: To be clear, Dugaboy's interest in the Debtor is 0.1866 percent. Less than two-tenths of one percent.

Secondly, the argument that Mr. Draper just made with respect to subordination is one that appears in nobody's papers. And, in fact, not only doesn't it appear in anybody's papers, but Mr. Dondero, I believe, specifically took issue with the fact that a portion of the consideration that HarbourVest would receive would be on a subordinated basis, and he would -- and I think he took the position there is no basis to give them a subordinated claim.

So, I just wanted to point those items out to the Court, not that I think either one makes a large difference today, but I do want to deal with the facts.

THE COURT: Thank you.

MR. MORRIS: The Debtor would call -- you're welcome, Your Honor. The Debtor calls Mr. James Seery.

THE COURT: All right. Mr. Seery, welcome back to virtual court. If you could say, "Testing, one, two" so I can see you and swear you in.

MR. SEERY: Testing, one, two.

Seery - Direct

1 THE COURT: All right. I heard you but I'm not yet 2 seeing your video. Is your video turned on? 3 MR. SEERY: Video is on. Yes, Your Honor. 4 THE COURT: Okay. I see you now. Please raise your 5 right hand. JAMES SEERY, DEBTOR'S WITNESS, SWORN 6 7 THE COURT: Thank you. Mr. Morris? 8 MR. MORRIS: Thank you, Your Honor. 9 DIRECT EXAMINATION 10 BY MR. MORRIS: 11 Good morning, Mr. Seery. Can you hear me? 12 I can. Thank you, Mr. Morris. 13 Okay. Let's just cut to the chase here. Are you familiar 14 with HarbourVest's claims filed against the Debtor? 15 Α I am, yes. And did you personally review them? 16 17 I did, yes. 18 Do you recall that over the summer the Debtor objected to 19 HarbourVest's claim? 20 Yes, we did. 21 Why -- can you explain to the judge why Harbour -- why the 22 Debtor objected to HarbourVest's claim last summer? 23 The HarbourVest claims, I believe there are about 24 six of them, initially were filed, and they were -- they were 25 relatively vague in terms of what the specifics of the claims

were.

So, we saw the claims but didn't, frankly, pay a lot of attention to the underlying transaction that was referred to in the proofs of claim and the losses that HarbourVest had claimed to suffer — to suffer with respect to their purchase of securities related to HCLOF and the damages caused by the Acis case. So we filed a pretty pro forma objection. I believe it was a simply stated objection that we didn't have any record that there was anything in the Debtor's books and records that they had a valid claim for any amount against the Debtor.

- Q Are you aware that HarbourVest subsequently filed a response to the Debtor's objection to their claims?
- 14 | A Yes. Yes, I am aware.
 - Q And did you familiarize yourself with that particular response?
 - A I did indeed. It was a pretty extensive response, really developing the full panoply of their claims, which included claims for expenses relating to the Acis case, which HarbourVest viewed as being improperly charged to HCLOF by its manager, which is effectively Highland. Those expenses, HarbourVest took the view, were excessive, had nothing to do with the investment, and were simply a pursuit of a personal vendetta against Mr. Terry and his interests by Mr. Dondero, and using HCLOF's money to actually pursue those interests.

In addition, and this was the first time we saw that,
HarbourVest brought forth its claims that it was entitled to
effectively rescind the transaction. And I say rescind the
transaction: In security parlance, they claim that they were
induced by fraud, I think as most are -- to enter into the
transaction.

As most are aware, the liability limitations in the OMs and the exculpation in the documents are pretty broad, and HarbourVest's position was that they weren't going to be subject to those limitations because the actual transaction that they entered into was a fraud on them, designed by Mr. Dondero, Mr. Ellington, and the Highland team.

- Q All right. Let's talk about your understanding, the Debtor's understanding of the factual background to HarbourVest's claim. What is your understanding of the investment that HarbourVest made?
- A Well, HarbourVest made an investment in the Highland CLO business. The Highland CLO business was -- was Acis. And effectively, the business had been separated, but in name only. Acis was just a shell, with a few partners -- obviously, Mr. Terry as well -- but it was all Highland personnel doing all the work.

And what they were trying to do with Acis was, in essence, resuscitate a business that had been in a bit of a decline from its pre-crisis heyday.

They were looking to take additional outside capital.

They would -- they would pay down or take money out of the transaction, Highland would, or ultimately Mr. Dondero, and they would -- they would seek to invest in Acis CLOs,

Highland's 1.0 CLOs. And then with respect to the Acis CLOs, and potentially new CLOs, but with the Acis CLOs, they'd seek to reset those and capture what they thought would be an opportunity in the market to -- to really use the assets that were there, not have to gather assets in the warehouse but be able to use those assets to reset them to market prices for the liabilities and then make money on the equity.

- Q Do you have an understanding --
- 13 | A Then --

- Q I'm sorry. Go ahead.
 - A Why don't I continue? So, the transaction, they found HarbourVest as a potential investor, and the basis of the transaction was that they would make an investment into Acis.

Shortly before the transaction, and while they were doing diligence, Mr. Terry received his arbitration award. I believe that was in October of 2017. The transaction with HarbourVest closed in mid- to late November of 2017. But Mr. Terry was not an integral part. Indeed, he wasn't going to be a key man. He had been long gone from Highland by that time.

What the -- I think you asked me originally what the basis of their claim was. The transaction went forward, and the

basis of their claim is that they really were never -- nothing was disclosed to them about the nature of the dispute with Mr. Terry other than in the highest-level terms; the animosity with respect to which that dispute was held by Highland and potentially Mr. Terry; and really, how those costs would be borne and risks be borne by the investment that they were making. That was, in essence, the transaction and the high-level view of their claim. Okay. Just a few very specific facts. Do you have an understanding as to how much HarbourVest invested and what they got in exchange for that investment? Yeah. HarbourVest invested in a couple tranches, and I forget the exact dates, but approximately \$75 million originally, and then they added another five. Some distributions were made in the first half of 2018, putting their net investment in the mid-seventies on the investment, which now is worth about 22-1/2 million bucks. And what percentage interest in HCLOF did HarbourVest acquire, to the best of your knowledge? They have 49.98 percent of HCLOF. HCLOF, just to refresh -- the Court is, I think, well aware of this, but to refresh,

is a Guernsey entity. Not -- not atypical for structures of

securities under -- at least to U.S. -- can't sell them to

this type to use offshore jurisdictions and sell the

Seery - Direct

U.S. investors unless they qualify, and these are sold under Reg S to -- to investors that otherwise qualify. And

3 | HarbourVest was investing in that transaction through the 4 | Guernsey structure.

- Q And do you have an understanding as to who owned the 50-plus percent of HCLOF that HarbourVest was not going to acquire?
- A Yeah. There's -- you can tell by the name. HCLOF is
 Highland CLO Funding. This is a Highland vehicle. So
 Highland owned and controlled the vehicle. The DAF, which is
 -- which is Dondero-controlled trusts, have the -- 49 percent.
 Highland has, I believe, around .63-65 percent directly. And
 then Highland employees at the time who were involved in the
 business owned another small percentage.

So the majority was going to be controlled by Highland through its control of DAF and its control of the employees that worked for it. HarbourVest would be a minority investor.

- Q Okay. And I believe you testified that the investment was made in mid-November; is that right?
- A That's correct. I think it was the 15th, may have been the 17th of November.
- Q And do you recall when in October the Terry arbitration award was rendered?
- A It was about a month before. I think it was right around the 20th, the 17th to the 20th. I may be slightly wrong on

each of those dates.

Q Okay. What is your understanding as to what happened after the issuance of the award that is the basis or at least one of the bases for HarbourVest's claim?

A I don't think there's -- I don't think there's any dispute. And there certainly are judicial findings. Dondero and Highland went about stripping Acis of all of its assets. So, remember that Acis is not a separate standalone company, in any event. It's controlled and dominated completely by Highland at the time. But it did have contracts. And those contracts had value.

So the first idea was to strip out the management contract and put it into a separate vehicle, which we called HCF

Advisor, which Highland still owns. The second piece was to strip out some valuable assets, the risk retention piece, which was a loan that in essence was equity that Highland had put into Acis but structured as a loan, as many of the transactions we'll see down the road are, in order to deal with some -- avoid taxes in any way possible. And that structure, that value moved value out of Acis for the express purpose of trying to run, in essence, the Highland business back in Highland.

Remember, as I said, Acis is just a Highland business moved to a separate shell. When Mr. Terry got his arbitration award against Acis and was seeking to enforce it, it was

Seery - Direct

pretty straightforward, let's take all the assets -- Dondero scheme -- let's take all the assets and move them back into Highland so Terry can't get anything.

- Q And how does that scheme relate to the HarbourVest claim, to the best of your knowledge?
- A Well, HarbourVest -- HarbourVest's position is that they invested in Acis and -- and whether Acis was called Acis or called Highland, it doesn't really matter; there were valuable assets in the -- in the entity that they were going to be investing in through the equity in these CLOs and some of the debt securities in those CLOs.

And then the stripping out and the fraudulent conveyances out of Acis caused them damages because that's what left the damage to Mr. Terry.

The quick math on Acis, by the way, is Acis has probably lost, total damages, 175 million bucks. And that's pretty easy. DAF lost 50. HarbourVest lost 50. Fifteen million of fees charged to HCLOF. Another five million of fees, at least, incurred by Mr. Terry. Ten million that went to Mr. Terry, 15 to Highland fees, another five, plus Mr. Terry's settlement in this case, over eight million bucks.

So HarbourVest's position, which, on a factual basis, you know, is problematic for the estate, is, wait a second, we invested in this vehicle with Highland. That was supposed to invest in Highland CLOs. They were called Acis, but they were

Seery - Direct

Highland CLOs. And then you went about causing tremendous damage to that vehicle that we ultimately were investing in, and then charge us for the pleasure.

- Q You used the phrase earlier "OM," I believe.
- A Offering memorandum.

- Q Offering memorandum? Can you just explain to the Court your understanding of what an offering memorandum is?
- A Typically, under U.S. law, and foreign jurisdictions have similar laws, you have to have a document that explains the securities that you're selling. And it goes into extreme detail about the securities and the risks related to those securities.

And the idea is not to have a document that tells you whether it's a good investment or a bad investment, but it's a document that discloses to the potential investor all of the risks with respect to that security or related to the investment over the duration of the security. It doesn't predict the future, but it's supposed to make sure that it gives you a very clean view of the past and a very clean view of what the facts from the past are and how they would implicate the future of the investment.

- Q And in the course of its diligence, did the Debtor have an opportunity to review the offering memorandum in the context of the claims that were being asserted by HarbourVest?
- 25 A Oh, absolutely. It was originally effectively -- it's an

HCLOF offering memorandum. But as I said, HCLOF was managed and controlled by Highland, and Highland originally prepared it. And then, of course, in connection with -- with this dispute and these claims, we reviewed it, both myself and my legal team. All right. MR. MORRIS: Your Honor, the offering memorandum is on the Debtor's exhibit list, and I think this is an appropriate time to move into evidence Debtor's Exhibits A through EE, all of which appear at Docket No. 1732. THE COURT: 1732? MR. MORRIS: It's the Debtor's Second Amended Witness and Exhibit List. THE COURT: All right. Any objection to admission of A through EE? MR. DRAPER: Douglas Draper. No objection, Your Honor. THE COURT: All right. Mr. --MR. MORRIS: May I proceed? THE COURT: Yeah. Mr. Wilson, did you want to confirm no objection? (Echoing.) THE COURT: All right. Hearing no objection, Debtor's A through EE are admitted.

THE COURT: Go ahead, Mr. Morris.

MR. MORRIS: Thank you, Your Honor. The offering memorandum itself is one of the documents that we filed under seal, and we did so at the request of counsel to HCLOF. But HCLOF has consented to our sharing up on the screen certain very limited provisions of the document, without waiving the request that the agreement otherwise be maintained under seal.

THE COURT: All right.

MR. MORRIS: So may I proceed on that basis, Your Honor?

THE COURT: You may. Uh-huh.

MR. MORRIS: Okay. Ms. Canty, can you please put up on the screen Demonstrative Exhibit #1? Okay. Can we just -- is there a way to just expand that just a bit, Ms. Canty? Thank you very much. And if we could just scroll it up? Thank you very much. Perfect.

Okay. So, Your Honor, this, as the footnote says, is an excerpt from the offering memorandum that can be found at Debtor's Exhibit AA. Double A. And this particular portion of the offering memorandum is at Page 35.

THE COURT: Okay.

BY MR. MORRIS:

MORRIS: Yeah. 9 THE COURT: So I think we're good right now. 10 you. 11 THE WITNESS: Yeah. Thank you, Your Honor. I was 12 just checking. 13 THE COURT: Okay. 14 THE WITNESS: In response to your question, Mr. 15 Morris, yes, I have seen this before. BY MR. MORRIS: 16 17 Okay. And can you -- did you form a view in doing the due 18 diligence as to the adequacy of this disclosure? 19 Yes, I did. 20 Can you share your -- or share with Judge Jernigan the 21 Debtor's view as to the adequacy of this disclosure concerning 22 the litigation between Highland and Acis? 23 With respect to the litigation between Highland and Acis, or, really, between Acis, Highland, and Highland's principals 24 25 and Acis's principal, totally inadequate. The disclosure here

is very high-level. And if there were no other litigation going on, it might serve to suffice. It basically says, In our business, because we invest in distressed loans, there's a lot of litigation around distressed investments, and that's what we have. And then it says, We've talked with the investor about other things and we're -- we think that's enough. Is there anything in this portion or anywhere in the offering memorandum that you're aware of that disclosed to HarbourVest that in the weeks leading up to the investment Highland was engaged in the fraudulent transfer of assets away from Acis? No. And I apologize, because I think it's -- I've conflated two provisions. This one only deals with the very high-level nature of the business. It doesn't give any indication that there's any material litigation going on elsewhere with respect to Acis. I believe there's another provision that says, We -- we have talked to -- oh, here -- I'm sorry. It is here. Shareholders have had an opportunity to discuss with Highland to their satisfaction all litigation matters against Highland and its affiliates unrelated to its distressed business. That, in my opinion, is wholly inadequate. Okay.

MR. MORRIS: And let's put up -- actually, let's just
